As per the State of New Jersey Department of Health, staff and campers shall, at minimum, wear cloth face coverings when social distancing of 6 feet between individuals and/or assigned groups cannot be maintained, except where doing so would inhibit that individual's health or the individual is in extreme heat outdoors. It is understood that face coverings may be challenging to campers (especially younger campers) to wear.

All participants must be dressed appropriately, provide their own racquet, water bottle and wear tennis shoes. Sun screen is recommended.

This program will not operate when inclement or dangerous weather is forecast. The staff will ensure that precautions are taken in consideration of sudden unexpected inclement weather. In the event that a session is canceled, the daily registration fee will be refunded. Call the GR Day Camp Hotline (973)748-2439 for schedule changes due to weather. The message is updated at 7:00am each day. Please do not leave messages on this line.
