Dear Mr. Fromhold,

The members of the Glen Ridge Seniors Golden Circle extend their sincere gratitude to the staff of Hackensack UMC Mountainside for their health education outreach to our members since 2013. The effectiveness of hospital is not only determined by inpatient and outpatient services but its health education involvement in the surrounding communities. This is especially important to seniors.

As a group, we have certainly benefitted from the expertise of your interdisciplinary professional staff who have been speakers at our monthly health luncheon meetings. Their presentations involved a range of medical issues relevant to seniors. The importance of early symptom recognition, treatment interventions and follow up care were also discussed. Time was taken to answer our many questions.

We would like to extend our sincere appreciation to Grettel Muscato, MPA, Director Community Services for her assistance in coordinating these interdisciplinary presentations and look forward to our continued professional relationship.

Congratulations for achieving the Rank of No.1 in NJ in your category as reflected in "Inside Jersey's Top Hospital." Have a great summer.

Yours truly,

Sonia Smith, Vice President

Cc. S. Patrick, Mayor

Phyllis Hesterfer, President.
