Mayor Peter A. Hughes  
The Borough of Glen Ridge  
825 Bloomfield Ave  
Glen Ridge, NJ 07028

September 13, 2011

Dear Mayor Hughes,

Thank you for your support and participation in the 26<sup>th</sup> Annual Spring Beach Sweeps on April 30<sup>th</sup>, 2011. As I'm sure you know, Clean Ocean Action (COA) Beach Sweeps are different from other cleanup events, as volunteers are instructed to collect data on the debris they collect. This data is used to educate the public about what is washing ashore, as well as used to advocate for pollution prevention laws and initiatives. Enclosed you will find a copy of the 25<sup>th</sup> Annual Beach Sweep Report (made possible through the hard work of our volunteers), which tells the unique story of marine debris along the Jersey coast.

I know it's hard to believe, but the Fall Beach Sweep is just around the corner. As beach season comes to an end, Clean Ocean Action (COA) will hold our 26<sup>th</sup> Annual Fall Beach Sweep on Saturday, October 22, 2011 from 9AM to 12:30PM. Please review the enclosed Beach Sweep Quick Reference Guide.

As you may recall, Glen Ridge Borough approved the Beach Sweep at Toney's Brook at Woodland Avenue earlier this year. Once again, we invite you to join and/or address the crowd of community volunteers at your town's event. To arrange to attend, please contact Tavia Danch by mail, fax, email, or phone (Clean Ocean Action, 18 Hartshorne Dr., Suite 2, Highlands, NJ 07732, Fax: 732-872-8041, Email: [Education@cleanoceanaction.org](mailto:Education@cleanoceanaction.org), Phone: 732-872-0111).

Importantly, municipalities participating in Clean Ocean Action's Beach Sweep program on October 22<sup>nd</sup> can fulfill Adopt-A-Beach & NJ Clean Communities requirements for community clean ups. As usual, all data collected at COA's Beach Sweeps will be sent to Ocean Conservancy to be included in their International Coastal Cleanup Report. Please note that, recently New Jersey Clean Communities Council (NJCCC) acquired NJ Department of Environmental Protection's Adopt-A-Beach program. NJCCC will host the Adopt-A-Beach cleanup on September 17<sup>th</sup>. If there is any confusion or if you have any questions feel free to contact me at (732) 872-0111 or [education@cleanoceanaction.org](mailto:education@cleanoceanaction.org).

Enjoy the rest of the summer. Wave of thanks!

Tavia Danch  
Education Coordinator for Pollution Prevention
