URGENT ALERT REGARDING CUTS IN TRAIN SERVICE

YOUR ACTION IS NEEDED NOW!

New Jersey Transit just eliminated the last weekday train from Manhattan to your town. This means that your residents will no longer be able to enjoy late-running events in the City without risking being stranded all night. The last train to leave at 1:19 a.m. now leaves 45 minutes earlier at 12:34 a.m. On the Gladstone Line it is even 45 minutes earlier than that. If riders miss this train, they will be stranded until at least 6:00 a.m.

In addition, the last inbound train at night now leaves Dover much earlier at 10:32 p.m. NJT has implemented these changes **without notice** effective September 14.

Because NJT did not issue an announcement well before the fact, there was no opportunity to make the case for maintaining these trains and riders' mobility. But with your help, together we can fight this disservice to NJT's customers. Tell the Lackawanna Coalition that you support restoring the trains that were eliminated and that you object to the lack of notice to the public. To learn more, call David Peter Alan, Chair of the Lackawanna Coalition, at 973-715-5626 or email us at info@lackawannacoalition.org.

We urge each town to join the Lackawanna Coalition and to appoint a representative to attend our meetings. Then we can work together and accomplish much!
