

Dear Mr. Rohal,

Please cancel Halloween and trick-or-treating. Halloween is officially over. It has been re-scheduled too many times. We are getting prepared for Thanksgiving and two holidays straight after each other is just too much to deal with.

I hope you take my important message into consideration, and please cancel Halloween.

Thank You

From,

James Calderone

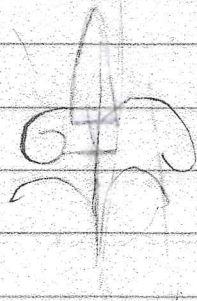

5th grade student
BAS.

P.S. I approve this message!
