Dear Municipal Officials/Solid Waste Directors/Essex County Haulers:

Each year at this time the Essex County Utilities Authority is required by law to establish the tipping fees for processible and non-processible solid waste for the coming year.

As a result the ECUA has set the following tipping fees for 2013, commencing as of January 1, 2013.

Municipal/Commercial Processible Waste – Resource Recovery Facility

2013 TIPPING FEE RATE..... \$88.49 per ton

Non –Processible Waste – New Jersey Meadowland Commission – Keegan Landfill

2013 TIPPING FEE RATE.....\$87.49 per ton

Commercial Processible Waste - Waste Management Facility (Julia Street)

2013 TIPPING FEE RATE.....\$90.29 per ton

The ECUA is pleased to highlight the very modest increase in the tipping fee for municipal processible (Type 10) from \$86.45 to \$88.49. This adjustment of \$2.04 per ton is derived primarily from the contractual increase in the service fee from the Port Authority for the Resource Recovery Facility. It should be noted that the new tipping fee for 2013 is still substantially lower than the fee paid by our municipalities in 2009 (\$88.86). We are projecting that the tipping fee for 2014 will also be lower than in 2009.

As we enter the third year of the contract for the disposition of Type 13 waste with the New Jersey Meadowlands Keegan landfill facility, our tipping fee reflects their contractual increase.

The ECUA continues its pledge to maintain the lowest tipping rates possible. The tipping fee for our twenty-two Essex County municipalities remains the lowest of the northern New Jersey Counties.

If you have any questions, concerns or comments, kindly contact us at the Authority.

NOTIFICATION OF MUNICIPAL CLERKS**

Pursuant to the Freshwater Wetlands Protection Act rules, N.J.A.C. 7:7A, Public Service Electric and Gas (PSE&G) is sending this letter and a copy of the Freshwater Wetlands being submitted to the New Jersey Department of Environmental Protection (NJDEP) for a permit that will authorize PSE&G to conduct regulated activities within the PSE&G Service Area.

PSE&G is applying for General Permit Authorization which authorizes regulated activities, such as construction or development, in wetlands and adjacent transition areas. This permit will allow PSE&G to perform maintenance and installation activities in PSE&G's overhead and underground Electric Distribution System in Public Rights-Of-Way (ROW) within PSE&G's electric distribution service area.

If you have any questions concerning this application, please me at PSE&G at (908) 412-7257.

Very truly yours,

Mayor Peter A. Hughes
Borough of Glen Ridge
825 Bloomfield Avenue
Glen Ridge, NJ 07028

Dear Mayor Hughes,

The National Complete Streets Coalition congratulates you on committing to Complete Streets by adopting a resolution in September of 2012. In doing so, Glen Ridge demonstrates its dedication to a safe, healthy, and vibrant community.

The National Complete Streets Coalition represents a broad the broad interests of users of the transportation system and transportation professionals. Together, we work for the adoption and implementation of Complete Streets policies.

Under a Complete Streets approach, Glen Ridge will make walking, bicycling, and taking public transportation safe and convenient options, and, in the process, allow residents to lead healthy, active lifestyles. When streets are designed and operated to accommodate all users, people have more choices in getting around town, saving them money and making Glen Ridge a better place to work, live, and visit.

In recognition of your leadership, we would be honored to have Glen Ridge, along with other communities who have committed to Complete Streets, join a letter asking Congress to adopt federal Complete Streets legislation. If you are interested, please contact Lily Gordon-Koven at lgordonkoven@completestreets.org or (312)-431-9100, ext. 1975.

Once again, thank you for taking action on Complete Streets and congratulations on achieving this important first step.

Sincerely,

Roger Millar
Director, National Complete Streets Coalition

Mayor Peter Hughes
Members of the Borough Council
Municipal Building

December 3, 2012

Dear Mayor Hughes and Members of the Council,

On behalf of the Board, I would like to thank you and the entire Borough staff for the invaluable assistance provided to the Glen Ridge Public Schools during Hurricane Sandy and its aftermath. Mr. Rohal, Mr. Zichelli, Chief Byron and many others worked overtime on behalf of our students, parents and staff, enabling Glen Ridge to be the first district in the county to get everyone back in school.

In short, we couldn't have done it without you.

The relationship between the Borough and the District is unique and valuable. We may disagree from time to time, but when the going gets tough (as it surely has this fall); we know that we can always count on you. We hope that you feel the same way and look forward to continuing in that spirit.

Sincerely,

Elisabeth Ginsburg
President, Glen Ridge Board of Education
