**PART I  
REPORT ON AUDIT OF FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2022 AND 2021**

## **Independent Auditors' Report**

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge  
Glen Ridge, New Jersey**

### **Report on the Audit of the Regulatory Basis Financial Statements**

#### ***Opinions on Regulatory Basis Financial Statements***

We have audited the regulatory basis financial statements of the various funds and the governmental fixed assets of the Borough of Glen Ridge, New Jersey ("Borough"), which comprise the balance sheets as of December 31, 2022 and 2021, and the related statements of operations and changes in fund balance for the years then ended, the statements of changes in fund balance, the statements of revenues and statements of expenditures for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements as listed in the table of contents.

#### ***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the accompanying regulatory basis financial statements present fairly, in all material respects, the regulatory basis balance sheets of the Borough as of December 31, 2022 and 2021, and the regulatory basis revenues, expenditures, and changes in fund balances for the years then ended, the statement of changes in fund balance, the statements of revenue and statements of expenditures of the utility funds for the year ended December 31, 2022 and the related notes to the financial statements, in accordance with the financial reporting provisions of the Department of Community Affairs, Division of Local Government Services, State of New Jersey ("Division") described in Note 2.

#### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Borough as of December 31, 2022 and 2021, or its revenues, expenditures and changes in fund balance thereof for the years then ended.

#### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"), requirements prescribed by the Division, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards and requirements are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Borough, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Borough of Glen Ridge**

Page 2

***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 2 of the financial statements, the financial statements are prepared by the Borough on the basis of the financial reporting provisions of the Division (regulatory basis), which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Division. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions of the Division. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Borough's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, requirements prescribed by the Division, and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, requirements prescribed by the Division, and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge**

Page 3

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Borough's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Report on Supplementary Information Required by the Division in Accordance with the Regulatory Basis of Accounting***

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough's basic financial statements. The information included in Part II – Supplementary Schedules - Supplementary Information Required by the Division and Part III – General Comments - Supplementary Information, as listed in the table of contents, is presented for purposes of additional analysis as required by the Division and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

***Report on Supplementary Information as Required by the Uniform Guidance and NJ OMB Circular 15-08***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough's basic financial statements. The accompanying schedules of expenditures of federal awards and state financial assistance as required by the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* and New Jersey OMB Circular 15-08 *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*; and related notes to the schedules of federal awards and state financial assistance are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedules of expenditures of federal awards and state financial assistance and related notes are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of expenditures of federal awards and state financial assistance, and related notes are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 29, 2023 on our consideration of the Borough's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge**

Page 4

financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control over financial reporting and compliance.

## **NOTES TO REGULATORY BASIS FINANCIAL STATEMENTS**

**BOROUGH OF GLEN RIDGE**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**1. REPORTING ENTITY**

The Borough of Glen Ridge, County of Essex, New Jersey (the "Borough"), incorporated in 1895 is governed as a Mayor-Council form of government. The Mayor is elected in a general election to a four-year term. There are six councilpersons, each elected to three-year terms which are staggered. Two councilpersons run every year.

The Governmental Accounting Standards Board and subsequent Codification (collectively, "GASB") establishes certain standards for defining and reporting on the financial reporting entity. In accordance with these standards, the reporting entity should include the primary government and those component units which are fiscally accountable to the primary government.

The financial statements of the Borough include every board, body, officer or commission supported and maintained wholly or in part by funds appropriated by the Borough, as required by the provisions of N.J.S.A. 40A:5-5. The Borough's Free Public Library is not included in these financial statements.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Measurement Focus, Basis of Accounting and Basis of Presentation**

The accounting policies of the Borough conform to the accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"), which is another reporting framework other than accounting principles generally accepted in the United States of America ("GAAP"). Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Borough accounts for its financial transactions through the separate funds, which differ from the fund structure in accordance with GAAP.

The Governmental Accounting Standards Board and subsequent Codification (collectively, "GASB") is the accepted standard-setting body for establishing governmental accounting and financial reporting principles for state and local governments. The GASB establishes seven fund types and two account groups to be used by governmental units when reporting financial position and results of operations in accordance with GAAP.

GASB has issued Statement No. 14 which requires the financial reporting entity to include both the primary government and those component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of the component unit's board, and either a) the ability to impose will by the primary government, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government.

However, the municipalities in the State of New Jersey do not prepare financial statements in accordance with GAAP and thus do not comply with all of the GASB pronouncements. The financial statements contained herein include only those boards, bodies, officers or commissions as required by the provisions of N.J.S.A. 40A:5-5.

The Borough uses funds, as required by the Division, to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial administration by segregating transactions related to certain Borough functions or activities. An account group, on the other hand, is designed to provide accountability for certain assets and liabilities that are not recorded in those Funds.

**BOROUGH OF GLEN RIDGE**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

The Borough has the following funds and account groups:

Current Fund - Encompasses resources and expenditures for basic governmental operations. Fiscal activity of Federal and State grant programs are reflected in a segregated section of the Current Fund.

Trust Funds - The records of receipts, disbursements and custodianship of monies in accordance with the purpose for which each account was created are maintained in Trust Funds. These include the Animal Control Trust Fund, General Trust Fund, and Payroll Trust Fund.

General Capital Fund - The receipts and expenditure records for the acquisition of general infrastructure and other capital facilities, other than those acquired in the Current Fund, are maintained in this Fund, as well as related long-term debt accounts.

Utilities Funds – Water and Swimming Pool Utilities are treated as separate entities. Each maintains its own Operating and Capital Funds which reflect revenue, expenditures, stewardship, acquisitions of utility infrastructure and other capital facilities, debt service, long-term debt and other related activity.

General Fixed Asset Account Group - These accounts reflect estimated valuations of land, buildings and certain moveable fixed assets of the Borough as discussed under the caption of “Basis of Accounting”. The Borough has no current financial data for these accounts.

**Basis of Accounting**

The Borough follows the regulatory basis of accounting. Under this method of accounting, revenues, except for Federal and State Aid, are recognized when received and expenditures are recorded when incurred. The accounting principles and practices prescribed or permitted for municipalities by the Division (“regulatory basis of accounting”) differ in certain respects from US GAAP applicable to local government units.

The more significant differences are as follows:

**Property Taxes and Other Revenue**

Real property taxes are assessed locally, based upon the assessed value of the property. The tax bill includes a levy for Municipal, County, and School purposes. The bills are mailed annually in June for that calendar year's levy. Taxes are payable in four quarterly installments on February 1, May 1, August 1, and November 1. The amounts of the first and second installments are determined as one-quarter of the total tax levied against the property for the preceding year. The installment due the third and fourth quarters is determined by taking the current year levy less the amount previously charged for the first and second installments, with the remainder being divided equally. If unpaid on these dates, the amount due becomes delinquent and subject to interest at 8% per annum, or 18% on any delinquency amount in excess of \$1,500. The School levy is turned over to the Board of Education as expenditures are incurred, and the balance, if any, must be transferred as of June 30 of each fiscal year. County taxes are paid quarterly on February 15, May 15, August 15 and November 15, to the County by the Borough. When unpaid taxes or any municipal lien, or part thereof, on real property, remains in arrears on April 1 in the year following the calendar year levy when the same became in arrears, the collector in the municipality shall, subject to the provisions of the New Jersey Statutes, enforce the lien by placing the property on a standard tax sale. The Borough also has the option when unpaid taxes or any municipal lien, or part thereof, on real property remains in arrears on the 11th day of the 11th month in the fiscal year when the taxes or lien became in arrears, the collector in the municipality shall, subject to the provisions of the New Jersey Statutes, enforce the lien by placing property on an accelerated tax sale, provided that the sale is conducted and completed no earlier than in the last month of the fiscal year.

**DECEMBER 31, 2022 AND 2021**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

The Borough may institute annual in rem tax foreclosure proceedings to enforce the tax collection or acquisition of title to the property. In accordance with the accounting principles prescribed by the State of New Jersey, current and delinquent taxes are realized as revenue when collected. Since delinquent taxes and liens are fully reserved, no provision has been made to estimate that portion of the tax receivable and tax title liens that are uncollectible. U.S. GAAP requires property tax revenues to be recognized in the accounting period when they become susceptible to accrual (i.e., when they are both levied and available), reduced by an allowance for doubtful accounts.

**Grant Revenue**

Federal and State grants, entitlements or shared revenue received for purposes normally financed through the Current Fund are recognized when anticipated in the Borough budget. GAAP requires such revenue to be recognized in the accounting period when they become subject to accrual.

**Expenditures**

Expenditures for general and utility operations are generally recorded on the accrual basis. Unexpended appropriation balances, except for amounts which may have been canceled by the governing body or by statutory regulation, are automatically recorded as liabilities at December 31st of each year, under the title of "Appropriation Reserves".

Grant appropriations are charged upon budget adoption to create spending reserves.

Expenditures from Trust and Capital Funds are recorded upon occurrence and charged to accounts statutorily established for specific purposes.

Budget appropriations for interest on General Capital Long-Term Debt is raised on the cash basis and is not accrued on the records; interest on Utility Debt is raised on the accrual basis and so recorded.

GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which should be recognized when due.

**Encumbrances**

As of January 1, 1986, all local units were required by Technical Accounting Directive No. 85-1, as promulgated by the Division, to maintain an encumbrance accounting system. The directive states that contractual orders outstanding at December 31<sup>st</sup> are reported as expenditures through the establishment of an encumbrance payable. Encumbrances do not constitute expenditures under GAAP.

**Appropriation Reserves**

Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

**Compensated Absences**

Expenditures relating to obligations for unused vested accumulated sick, vacation and compensatory pay are not recorded until paid. GAAP requires that the amount that would normally be liquidated with expendable available financial resources be recorded as an expenditure in the operating funds and the remaining obligations be recorded as a long-term obligation.

**BOROUGH OF GLEN RIDGE**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Property Acquired for Taxes**

Property acquired for taxes ("Foreclosed Property") is recorded in the Current Fund at the assessed valuation during the year when such property was acquired by deed or foreclosure and is offset by a corresponding reserve account. GAAP requires such property to be recorded in the capital fixed assets at market value on the date of acquisition.

**Interfunds Receivable/Payable**

Interfunds Receivable in the Current Fund are generally recorded with offsetting reserves which are established by charges to operations. Collections are recognized as income in the year that the receivables are realized. Interfunds Receivable of all other funds are recorded as accrued and are not offset with reserve accounts. Interfunds Receivable of one fund are offset with Interfunds Payable of the corresponding fund. GAAP does not require the establishment of an offsetting reserve.

**Inventories of Supplies**

The cost of inventories for all funds are recorded as expenditures at the time individual items are purchased.

**Governmental Fixed Assets**

General:

In accordance with the Administrative Code, Accounting for Governmental Fixed Assets, as promulgated by the Division, which differs in certain respects from GAAP, the Borough has developed a fixed asset accounting and reporting system.

Fixed assets used in governmental operations (capital fixed assets) are accounted for in the Capital Fixed Assets. Public domain ("infrastructure") capital fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems, are not capitalized.

Acquisitions of land, buildings, machinery, equipment and other capital assets are recorded on a perpetual fixed asset record. Vehicles, furniture, equipment and other items are reflected at replacement values at time of inventory preparation. Additions to the established fixed assets are valued at cost.

Depreciation of assets is not recorded as an operating expense of the Borough.

Utilities:

Capital acquisitions, including utility infrastructure costs of the Water and Swimming Pool Utilities, are recorded at cost upon purchase or project completion in the Fixed Capital Account of the Utilities. The Fixed Capital Accounts are adjusted for dispositions or abandonments. The accounts include moveable fixed assets of the Utility, but are not specifically identified and are considered as duplicated in the Capital Fixed Assets. The duplication is considered as insignificant on its effect on the financial statements taken as a whole.

Utility improvements that may have been constructed by developers are not recorded as additions to Fixed Capital.

**BOROUGH OF GLEN RIDGE**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Fixed Capital of the Utilities are offset by accumulations in Amortization Reserve Accounts. The accumulations represent costs of fixed assets purchased with budgeted funds or acquired by gift, as well as grants, developer contributions or liquidations of related bonded debt and other liabilities incurred upon fixed asset acquisition.

The Fixed Capital Accounts reflected herein are as recorded in the records of the Borough and do not necessarily reflect the true condition of such Fixed Capital. The records consist of a control account only.

**Basic Financial Statements**

The GASB also defines the financial statements of a governmental unit to be presented in the general purpose financial statements to be in accordance with GAAP. The Borough presents the financial statements, which are required by the Division and differ from the financial statements required by GAAP. In addition, the Division requires the financial statements to be referenced to the supplementary schedules. This practice differs from GAAP.

**Long-term Debt**

The Borough's Long-term debt is stated at face value. The debt is not traded and it is not practicable to determine its fair value without incurring excessive cost. Additional information pertinent to the Borough's long-term debt is provided in Note 11 to the financial statements.

**Net Pension Liability and Pension Related Deferred Outflows of Resources and Deferred Inflows of Resources and Pension Expense**

The requirements of GASB Statement No. 68, "Accounting and Financial Reporting for Pensions" and GASB Statement No. 71, "Pension Transition for Contributions Made Subsequent to the Measurement Date" - an amendment of GASB Statement No. 68 require governmental entities to record their distributive shares of net pension liability, deferred outflows of resources, deferred inflows of resources and total pension related expense. Accounting principles applicable to municipalities, which have been prescribed by the Division, do not require the recording of these liabilities, deferrals and expenses, but do require the disclosure of these amounts. The audited financial information related to pensions is released annually by the State's Division of Pensions and Benefits and is required to be included as note disclosures in the financial statements. Due to delays in the availability of the information needed for disclosure, the Division issued Local Finance Notice 2022-12 on June 16, 2022. To ensure the timely filing of county and municipal audits, Local Finance Board regulations allow the Division discretion to permit the most recent available audited GASB 68 financial information to be incorporated into the audited financial statements and only requires one year to be disclosed. Refer to Note 9 for these disclosures.

**Other Post-Employment Benefits Other Than Pensions**

The requirements of GASB Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions" (OPEB) that is provided by other entities require governmental entities to record in their financial statements a share of the other governments net OPEB liability, deferred outflows of resources, deferred inflows of resources and total OPEB expense. Accounting principles applicable to municipalities, which have been prescribed by the Division, do not require the recording of these liabilities, deferrals and expenses, but do require the disclosure of the amounts. Since the Borough does not follow generally accepted accounting principles, the GASB did not result in a change in the Borough's assets, liabilities and contribution requirements. However, it did result in additional note disclosures as required by the GASB. See Note 10 for these disclosures. The audited financial information related to OPEBs is released annually by the State's Division of

#### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Pensions and Benefits and is required to be included as note disclosures in the financial statements. Due to delays in the availability of the information needed for disclosure, the Division issued Local Finance Notice 2022-12 on June 16, 2022. To ensure the timely filing of county and municipal audits, Local Finance Board regulations allow the Division discretion to permit the most recent available audited GASB 75 financial information related to the State Plan to be incorporated into the audited financial statements and only requires one year to be disclosed. See Note 10 and 11 for these disclosures.

##### **Recently Issued and Adopted Accounting Principle**

For the year ended December 31, 2022, the financial statements include the adoption of GASB Statement No. 87, "Leases". The primary objective of this statement is to enhance the relevance and consistency of information about governments' leasing activities. This Statement establishes standards of accounting and financial reporting for leases by lessees and lessors. The requirements of this Statement were implemented during the year ended December 31, 2022.

The Borough is a lessor for the rental of the Hurrell field located at Belleville Ave, Glen Ridge for the purpose of the Glen Ridge Board of Education's use for extracurricular events. The Borough acknowledges a lease with an initial, collective value of \$30,000.00 or more. The Borough initially measures the lease obligation at the present value of payments expected to be received during the lease term. Key estimates and judgments to the lessor include (1) the discount rate using the lessee's estimated borrowing rate expected less receipts to present value, (2) the lease term including any noncancellable period of the lease, and (3) the lease payments determined by the lease receipts included in the measurement of the lease that are composed of fixed payments from the lessee and any payment renewal option that the Borough is reasonably certain to exercise. The Borough monitors changes in circumstances that would requires a remeasurement of its leases and will remeasure the lease if certain changes occur that are expected to significantly affect the amount of the lease. See Note 17 for further detail.

#### **3. DEPOSITS AND INVESTMENTS**

##### **Use of Estimates**

The preparation of financial statements requires management of the Borough to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of accrued revenues and expenditures during the reporting period. Accordingly, actual results could differ from those estimates.

##### **Deposits**

New Jersey Statutes permit the deposit of public funds in institutions located in New Jersey, which are insured by the Federal Deposit Insurance Corporation ("FDIC") or any other agencies of the United States that insures deposits or the State of New Jersey Cash Management Fund (the "Fund").

Cash on deposit is partially insured by federal deposit insurance in the amount of \$250,000.00 in each depository. Balances above the federal deposit insurance amount are insured by the Government Unit

Deposit Protection Act (GUDPA), N.J.S.A. 17:941, et seq., which insures all New Jersey governmental units' deposits in excess of the federal deposit insurance maximums.

**BOROUGH OF GLEN RIDGE**

**NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**3. DEPOSITS AND INVESTMENTS (continued)**

Based on GASB criteria, the Borough considers cash and cash equivalents to include petty cash, change funds, demand deposits, money market accounts, short-term investments and cash management money market mutual funds. The State of New Jersey Cash Management Fund is authorized by statute and regulations of the State Investment Council to invest in fixed income and debt securities which mature or are redeemed within one year.

Twenty-five percent of the Fund may be invested in eligible securities which mature within two years provided, however, the average maturity of all investments in the Fund shall not exceed one year. Collateralization of fund investments is generally not required.

In addition, by regulation of the Division, municipalities are allowed to deposit funds in the Municipal Bond Insurance Association (MBIA) through their investment management company, the Municipal Investors Service Corporation.

In accordance with the provisions of the Governmental Unit Deposit Protection Act of New Jersey (GUDPA), public depositories are required to maintain collateral for deposits of public funds that exceed insurance limits as follows:

The market value of the collateral must equal five percent of the average daily balance of public funds or;

If the public funds deposited exceed 75 percent of the capital funds of the depository, the depository must provide collateral having a market value equal to 100 percent of the amount exceeding 75 percent.

All collateral must be deposited with the Federal Reserve Bank, The Federal Home Loan Bank Board or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.00. Cash and cash equivalents have original maturities of three months or less from the date of purchase. Investments are stated at cost, which approximates fair value.

At December 31, 2022 and 2021, the book values of the deposits of the Borough consisted of the following:

	Book Balance	
	December 31, 2022	December 31, 2021
<u>Depository Account</u>		
Cash (Demand Accounts)	\$ 12,480,981.10	\$ 11,757,464.69
Change Funds and Petty Cash (On-Hand)	1,070.00	470.00
	<u>\$ 12,482,051.10</u>	<u>\$ 11,757,934.69</u>

**Custodial Credit Risk - Deposits** - Custodial credit risk is the risk that in the event of a bank failure, the Borough's deposits may not be returned. The government does not have a specific deposit policy for custodial credit risk other than those policies that adhere to the requirements of statute and to deposit all of its funds in banks covered by FDIC and GUDPA. At least five percent of the Borough's deposits were fully collateralized by funds held by the financial institution, but not in the name of the Borough. Due to the nature of GUDPA, further information is not available regarding the full amount that is collateralized.

At December 31, 2022 and 2021 the Borough had the following depository accounts. All deposits are carried at cost. \$130,629.63 and \$99,061.18 held in agency and payroll accounts for the years ended December 31, 2022 and 2021, respectively, are not covered by GUDPA.

	<u>\$ 12,523,609.39</u>	<u>\$ 11,685,544.86</u>

**Investments**

New Jersey statutes permit the Borough to purchase the following types of securities:

- Bonds or other obligations of the United States of America or obligations guaranteed by the United States of America. This includes instruments such as Treasury Bills, Notes and Bonds
- Government money market mutual funds.
- Any federal agency or instrumentality obligation authorized by Congress that matures within 397 days from the date of purchase and has a fixed rate of interest not dependent on any index or external factors.
- Bonds or other obligations of the local unit or school districts of which the local unit is a part.
- Any other obligations with maturities not exceeding 397 days, as permitted by the Division of Investments.
- Local government investment pools, such as New Jersey CLASS, and the New Jersey Arbitrage Rebate Management Program.
- New Jersey State Cash Management Fund.
- Repurchase agreements of fully collateralized securities, subject to special conditions.

As of December 31, 2022 and 2021, the Borough had no investments.

Interest earned in the General Capital Fund, Animal Control Fund and certain Other Trust Funds are assigned to the Current Fund in accordance with the regulatory basis of accounting. Interest earned in the Utility Capital Funds is assigned to the Utility Operating Funds in accordance with the regulatory basis of accounting.

**4. TAXES AND TAX TITLE LIENS RECEIVABLE**

Property assessments are determined on true values and taxes are assessed based upon these values. The residential tax bill includes the levies for the Borough, County and School purposes. Certified adopted budgets are submitted to the County Board of Taxation (the "Board") by each taxing district. The tax rate is determined by the Board upon the filing of these budgets.

The tax bills are mailed by the Tax Collector annually in June and are payable in four quarterly installments due the first of August and November of the current year and a preliminary billing due the first of February and May of the subsequent year. The August and November billings represent the third and fourth quarter installments and are calculated by taking the total year tax levy less the preliminary first and second quarter installments due February and May. The preliminary levy is based on one-half of the current year's total tax.

Tax installments not paid by the above due dates are subject to interest penalties determined by a resolution of the governing body. The rate of interest in accordance with the aforementioned resolution is 8% per annum on the first \$1,500.00 of delinquency and 18% on any delinquency in excess of \$1,500.00. The resolution also sets a grace period of ten days before interest is calculated. In addition, any delinquency in excess of \$10,000.00 at the end of the calendar year is subject to a 6% penalty on the unpaid balance.

**9. PENSION PLANS**

Public Employees' Retirement System

The Public Employees' Retirement System is a cost-sharing, multiple employer defined benefit pension plan as defined in GASB Statement No. 68. The Plan is administered by The New Jersey Division of Pensions and Benefits ("Division"). The more significant aspects of the PERS Plan are as follows:

*Plan Membership and Contributing Employers-* Substantially all full-time employees of the State of New Jersey or any county, municipality, school district or public agency are enrolled in PERS, provided the employee is not required to be a member of another state-administered retirement system or other state pension fund or other jurisdiction's pension fund. Membership and contributing employers of the defined benefit pension plans consisted of the following at June 30, 2021 and 2020:

	<u>2022</u>
Inactive plan members or beneficiaries currently receiving benefits	187,372
Inactive plan members entitled to but not yet receiving benefits	723
Active plan members	<u>240,961</u>
Total	<u><u>429,056</u></u>
Contributing Employers – 1,691	

*Significant Legislation* – For State of New Jersey contributions to PERS, Chapter 1, P.L. 2010, effective May 21, 2010, required the State to resume making actuarially recommended contributions to the pension plan on a phased-in basis over a seven-year period beginning in the fiscal year ended June 30, 20.

**BOROUGH OF GLEN RIDGE**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**9. PENSION PLANS (continued)**

Chapter 19, P.L. 2009, effective March 17, 2009, provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State Fiscal Year 2009. Such an employer will be credited with the full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of PERS, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of assets.

Pursuant to the provision of Chapter 78, P.L. 2011, COLA increases were suspended for all current and future retirees of PERS.

For the year ended December 31, 2022, the Borough's total payroll for all employees was \$6,054,818.30. For the year ended December 31, 2022, total PERS covered payroll was \$2,181,816.00. Due to payroll system limitations, covered payroll refers to pensionable compensation, rather than total compensation, paid by the Borough to active employees covered by the Plan.

*Specific Contribution Requirements and benefit provisions* – The contribution policy is set by N.J.S.A 43:15 and requires contributions by active members and contributing employers. State legislation has modified the amount that is contributed by the State. The State's pension contributions are based on an amortization of the unfunded accrued liability. Funding or noncontributory group insurance benefits is based on actual claims paid. For fiscal year 2022, the State's pension contribution was less than the actuarial determined amount.

Employers' contribution amounts are based on an actuarially determined rate. The annual employer contributions include funding for basic retirement allowances and noncontributory death benefits. Borough contributions are due and payable on April 1st in the second fiscal period subsequent to plan year for which the contributions requirements were calculated.

It is assumed that the local employers will contribute 100% of their actuarially determined contribution and 100% of their Non-Contributory Group Insurance Premium Fund (NCGIPF) contribution while the State will contribute 70% of its actuarially determined contribution and 100% of its NCGIPF contribution. The 70% contribution rate is the actual total State contribution rate paid in fiscal year ending June 30, 2022 with respect to the actuarially determined contribution for the fiscal year ending June 30, 2022 for all State administered retirement systems.

In accordance with Chapter 98, P.L. 2017, PERS receives 21.02% of the proceeds of the Lottery Enterprise for a period of 30 years. Revenues received from lottery proceeds are assumed to be contributed to the System on a monthly basis.

The Borough's liability to PERS for the year ending December 31, 2022 consisted of the following:

	<u>2022</u>
Total Regular Billing	\$ 400,721.00

The Borough recognizes liabilities to PERS and records expenditures for same in the fiscal period that bills become due.

The vesting and benefit provisions are set by N.J.S.A. 43:15. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits, which vest after 25 years of service or under the disability provisions of PERS.

A service retirement benefit of 1/55th of final average salary for each year of service credit is available to tier 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65. Early retirement benefits are available to tier 1 and 2 members before reaching age 60, to tier 3 and 4 members with 25 years or more of service credit before age 62 and tier 5 members with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the retirement age of his/her respective tier.

Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

A special funding situation exists for certain Local employers of PERS. The State of New Jersey, as a nonemployer, is required to pay the additional costs incurred by local employers under Chapter 366, P.L. 2001 and Chapter 133, P.L. 2001. The legislation established the Prosecutors Part of the PERS which provides enhanced retirement benefits for prosecutors enrolled in the PERS. The state is liable for the increased pension costs to a county that resulted from the enrollment of prosecutors in the Prosecutors Part. The special funding situation for chapter 133, P.L. 2001 is due to the State paying the additional normal cost related to benefit improvements from Chapter 133.

At June 30, 2022, the PERS reported a net pension liability of \$15,219,184,920.00 for its Non-State Employer Member Group. The Borough's proportionate share of the net pension liability for the Non-State Employer Member Group that is attributable to the Borough was \$4,795,560.00 or 0.0317768232%, which was an increase of 0.0008862940% from its proportion measured as of June 30, 2021.

At December 31, 2022, the Borough's deferred outflows of resources and deferred inflows of resources related to PERS were from the following sources, if GASB Statement No. 68 was recognized:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ 34,612.00	\$ 30,523.00

\$400,721.00 is reflected above as deferred outflows of resources related to pensions resulting from Borough contributions subsequent to the measurement date. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions would be recognized in pension expense on the GAAP basis as follows:

Year ended December 31,	Amount
2023	\$ (321,330.00)
2024	(44,441.00)
2025	75,922.00

*Actuarial Assumptions-* The total pension liability in the June 30, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

	June 30, 2022
Inflation Prices:	2.75%
Inflation Wages:	3.25%
Salary Increases:	2.75% - 6.55%
	Based on years of service
Investment Rate of Return:	7.00%

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2021 valuation were based on the results of an actuarial experience study for the period July 1, 2018 to June 30, 2021.

In accordance with State statute, the long-term expected rate of return on plan investments (7.00% at June 30, 2022) is determined by the State Treasurer, after consultation with the Directors of the Division of Investment and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in PERS's target asset allocation as of June 30, 2022 in the following table:

*Discount Rate* – The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments to determine the total pension liability.

*Sensitivity of Net Pension Liability* – the following presents the net pension liability of PERS calculated using the discount rates as disclosed below as well as what the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower or 1 percentage point higher than the current rate:

	<u>At 1% Decrease (6.00%)</u>	<u>At Current Discount Rate (7.00%)</u>	<u>At 1% Increase (8.00%)</u>
PERS     \$	6,160,890.00	\$ 4,795,560.00	\$ 3,633,609.00

*Plan Fiduciary Net Position* – The plan fiduciary net position for PERS, including the State of New Jersey, at June 30, 2022 was \$32,568,122,309.00. The portion of the Plan Fiduciary Net Position that was allocable to the Local (Non-State) Group at June 30, 2022 was \$25,810,084,045.00.

*Additional Information*

Collective balances at June 30, 2022 are as follows:

Collective deferred outflows of resources	\$ 1,660,772,008.00
Collective deferred inflows of resources	3,236,303,935.00
Collective net pension liability – Local group	15,219,184,920.00
Borough's Proportion	0.0317768232%

Collective pension expense for the Local Group for the measurement period ended June 30, 2022 was \$1,032,778,934.00. The average of the expected remaining service lives of all plan members is 5.04, 5.13, 5.16, 5.21, 5.63, 5.48, 5.57, 5.72 and 6.44 years for 2022, 2021, 2020, 2019, 2018, 2017, 2016, 2015 and 2014, respectively.

**State Contribution Payable Dates**

Chapter 83, P.L. 2016 requires the State to make pension contributions on a quarterly basis: at least 25% by September 30, at least 50% by December 31, at least 75% by March 31, and at least 100% by June 30. As such, contributions are assumed to be made on a quarterly basis with the first contribution 15 months after the associated valuation date.

Local employer's contributions are expected to be paid on April 1<sup>st</sup>, 21 months after the associated valuation date.

**Receivable Contributions**

The Fiduciary Net Position (FNP) includes Local employers' contributions receivable as reported in the financial statements provided by the Division of Pensions and Benefits. In determining the discount rate, the FNP at the beginning of each year does not reflect receivable contributions as those amounts are not available at the beginning of the year to pay benefits. The receivable contributions for the year ended June 30, 2022 are \$1,288,683,017.00.

**Police and Firemen's Retirement System**

The Police and Firemen's Retirement System is a cost-sharing, multiple employer defined benefit pension plan as defined in GASB Statement No. 68. The Plan is administered by The New Jersey Division of Pensions and Benefits ("Division"). The more significant aspects of the PFRS Plan are as follows:

*Plan Membership and Contributing Employers-* Substantially all full-time county and municipal police and firemen and state firemen or officer employees with police powers appointed after June 30, 1944 are enrolled in PFRS Membership and contributing employers of the defined benefit pension plans consisted of the following at June 30, 2021:

	2021
Inactive plan members or beneficiaries currently receiving benefits	46,571
Inactive plan members entitled to but not yet receiving benefits	67
Active plan members	40,838
Total	87,476

\* Contributing Employers 582

**9. PENSION PLANS (continued)**

*Significant Legislation* – For State of New Jersey contributions to PFRS, Chapter 1, P.L. 2010, effective May 21, 2010, required the State to resume making actuarially recommended contributions to the pension plan on a phased-in basis over a seven-year period beginning in the fiscal year ended June 30, 2012.

For the year ended June 30, 2021, it is assumed that the Local employers will contribute 100% of their actuarially determined contribution and 100% of their Non-Contributory Group Insurance Premium Fund (NCGIPF) contribution while the State will contribute 78% of its actuarially determined contribution and 100% of its NCGIPF contribution. The 78% contribution rate is the actual total State contribution rate paid in the fiscal year ending June 30, 2021 with respect to the actuarially determined contribution for the fiscal year ending June 30, 2021 for all State administered retirement systems.

In accordance with Chapter 98, P.L. 2017, PFRS receives 1.2% of the proceeds of the Lottery Enterprise for a period of 30 years. Revenues received from the lottery proceeds are assumed to be contributed to the System on a monthly basis.

Consistent with Chapter 83, P.L. 2016, it is assumed that the State will make pension contributions in equal amounts at the end of each quarter. It is assumed the Local employers' contributions are expected to be received on April 1<sup>st</sup>, 21 months after the associated valuation date.

Pursuant to the provision of Chapter 78, P.L. 2011, COLA increases were suspended for all current and future retirees of PFRS.

For the year ended December 31, 2021, the Borough's total payroll for all employees was \$9,908,347.27. For the year ended December 31, 2021, total PFRS covered payroll was \$2,312,580.00. Due to payroll system limitations, covered payroll refers to pensionable compensation, rather than total compensation, paid by the Borough to active employees covered by the Plan.

*Specific Contribution Requirements and benefit provisions* – The contribution policy is set by N.J.S.A. 43:16A and requires contributions by active members and contributing employers. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contributions rate increased from 8.5% of annual compensation to 10.0% in October 2011. Employer contribution amounts are based on an actuarially determined rate. The annual employer contributions include funding for basic retirement allowances and noncontributory death benefits.

Borough payments to PFRS for the years ending December 31, 2021 consisted of the following:

	<u>2021</u>
Total Regular Billing	\$ 793,007.00

The Borough recognizes liabilities to PFRS and records expenditures for same in the fiscal period that bills become due.

The vesting and benefit provisions are set by N.J.S.A. 43:16A. PFRS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for disability benefits, which vest after 4 years of service.

The following represents the membership tiers for PFRS:

<u>Tier</u>	<u>Definition</u>
1	Members who were enrolled prior to May 22, 2010
2	Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011

Service retirement benefits are available at age 55 and are generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tiers 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

At June 30, 2021, the PFRS reported a net pension liability of \$9,364,849,587.00 for its Non-State, Non-Special Funding Situation Employer Member Group. The Borough's proportionate share of the net pension liability for the Non-State Non-Special Funding Situation Employer Member Group was \$4,973,304.00, or 0.0680421520% which was an increase of 0.0032645043% from its proportion, measured as of June 30, 2020. Then pension liability for the June 30, 2021 measurement date was determined by an actuarial valuation as of July 1, 2020, which was rolled forward to June 30, 2021.

At December 31, 2021, the Borough's deferred outflows of resources and deferred inflows of resources related to PFRS were from the following sources; if GASB Statement No. 68 was recognized:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 56,739.00	\$ 595,751.00

Borough contributions subsequent to the measurement date	793,007.00	
	<u>\$ 1,631,576.00</u>	<u>\$ 4,386,262.00</u>

\$793,007.00 is reflected above as deferred outflows of resources related to pensions resulting from Borough contributions subsequent to the measurement date. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions would be recognized in pension expense on the GAAP basis as follows:

Pre-retirement mortality rates were based on the Pub-2010 Safety Employee mortality table with a 105.6% adjustment for males and 102.5% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 Safety Retiree Below-Median Income Weighted mortality table with a 96.7% adjustment for males and 96.0% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. For beneficiaries (contingent annuitants), the Pub-2010 General Retiree Below-Median Income Weighted mortality table was used, unadjusted, and with future improvement from the base year of 2010 on a generational basis. Disability rates were based on the Pub-2010 Safety Disabled Retiree mortality table with a 152.0% adjustment for males and 109.3% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

The actuarial assumptions used in the July 1, 2020 valuation were based on the results of an actuarial experience study for the period July 1, 2013 to June 30, 2018.

Collective balances at June 30, 2021 are as follows:

Collective deferred outflows of resources	\$ 817,281,932.00
Collective deferred inflows of resources	6,875,738,520.00
Collective net pension liability – Local group	9,364,849,587.00
Borough's Proportion	0.0680421520%

Collective pension expense for the Local Group for the measurement period ended June 30, 2021 was \$742,955,825.00. The average of the expected remaining service lives of all plan members is 6.17, 5.90, 5.92, 5.73, 5.59, 5.58, 5.53 and 6.17 years for 2021, 2020, 2019, 2018, 2017, 2016, 2015 and 2014, respectively.

**State Contribution Payable Dates**

Chapter 83, P.L. 2016 requires the State to make pension contributions on a quarterly basis: at least 25% by September 30, at least 50% by December 31, at least 75% by March 31, and at least 100% by June 30. As such, contributions are assumed to be made on a quarterly basis.

Local employer's contributions are expected to be paid on April 1<sup>st</sup>, 21 months after the associated valuation date.

**Receivable Contributions**

The Fiduciary Net Position (FNP) includes Local employers' contributions receivable as reported in the financial statements provided by the Division of Pensions and Benefits. In determining the discount rate, the FNP at the beginning of each year does not reflect receivable contributions as those amounts are not available at the beginning of the year to pay benefits.

Local contributions expected to be paid the April 1<sup>st</sup>, following the valuation are discounted by the interest rate used at the valuation date.

Under N.J.S.A 43:16A-15, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. The amounts contributed on behalf of the local participating employers under this legislation is considered to be a special funding situation and state is treated as a non-employer entity. The non-employer contributing entities' total proportionate share of the collective net pension liability that is associated with the Borough as of June 30, 2021 for police and fire is 0.0680421520%. The non-employer contributing entities' contribution for the year ended June 30, 2021 was \$121,508.00. The state's proportionate share of net pension liability attributable to the Borough as of June 30, 2021 was \$1,398,741.00.

**Defined Contribution Retirement Plan**

DCRP was established July 1, 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007. Prudential is acting on behalf of the NJ Division of Pensions and Benefits as the record keeper and investment funds manager. Chapter 1, P.L. 2010 increased the minimum annual salary required for eligibility in the DCRP. An employee must earn an annual salary of at least \$5,000.00 to be eligible or to continue participation. The Defined Contribution Retirement Plan (DCRP) is a multiple employer defined contribution plan as defined in GASB Statement No. 68. The Plan is administered by The New Jersey Division of Pensions and Benefits (Division). The more significant aspects of the DCRP are as follows:

**BOROUGH OF GLEN RIDGE**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**9. PENSION PLANS (continued)**

*Plan Membership and Contributing Employers* - Enrollment in the DCRP is required for state or local officials, elected or appointed on or after July 1, 2007; employees enrolled in PFRS or PERS on or after July 1, 2007, who earn salary in excess of established "maximum compensation" limits; employees otherwise eligible to enroll in PFRS or PERS on or after November 2, 2008, who do not earn the minimum annual salary for tier 3 enrollment but who earn salary of at least \$5,000.00 annually; and employees otherwise eligible to enroll in PFRS or PERS after May 21, 2010, who do not work the minimum number of hours per week required for tier 4 or tier 5 enrollment, but who earn salary of at least \$5,000.00 annually.

*Contribution Requirement and Benefit Provisions* - State and local government employers contribute 3% of the employee's base salary. Active members contribute 5.5% of base salary.

Eligible members are provided with a defined contribution retirement plan intended to qualify for favorable Federal income tax treatment under IRC Section 401(a), a noncontributory group life insurance plan and a noncontributory group disability benefit plan. A participant's interest in that portion of his or her defined contribution retirement plan account attributable to employee contributions shall immediately become and shall at all times remain fully vested and non-forfeitable. A participant's interest in that portion of his or her defined contribution retirement plan account attributable to employer contributions shall be vested and non-forfeitable on the date the participant commences the second year of employment or upon his or her attainment of age 65, while employed by an employer, whichever occurs first.

**Employer and Employee Pension Contributions**

The contribution policy is set by laws of the State of New Jersey and contributions are required by active members and participating employers. Plan members and employer contributions may be amended by State of New Jersey legislation, with the amount of contributions by the State of New Jersey contingent upon the annual Appropriations Act. As defined, the various retirement systems require employee contributions based on 7.50% for PERS, 10% for PFRS and 5.5% for DCRP of employees' base wages.

***State of New Jersey's OPEB Plan***

General Information about the OPEB Plan

*Plan Description* - The State Health Benefit Local Government Retired Employees Plan (the Plan) is a cost sharing multiple employer defined benefit other postemployment benefit (OPEB) plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. The plan meets the definition of an equivalent arrangement as defined in paragraph 4 of GASB Statement No. 75, *Accounting and Financial Reporting for the Postemployment Benefits Other Than Pensions*; therefore, assets are accumulated to pay associated benefits. For additional information about the Plan, please refer to the State of New Jersey (the "State"), Division of Pensions and Benefits' (the Division) Annual Comprehensive Financial Report (ACFR), which can be found at <https://www.state.nj.us/treasury/pensions/financial-reports.shtml>.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**10. OTHER POST-EMPLOYMENT (RETIREMENT) BENEFITS (OPEB) - OTHER THAN PENSIONS**  
**(continued)**

*Benefits Provided* - The Plan provides medical and prescription drug coverage to retirees and their dependents of the employers. Under the provisions of Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

In accordance with Chapter 330, P.L. 1997, which is codified in N.J.S.A. 52:14-17.32i, the State provides medical and prescription coverage to local police officers and firefighters, who retire with 25 years of service or on a disability from an employer who does not provide postretirement medical coverage. Local employers were required to file a resolution with the Division in order for their employees to qualify for State-paid retiree health benefits coverage under Chapter 330. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L. 1989.

*Contributions* - Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

Plan membership and contributing employers/nonemployers consisted of the following at June 30, 2021:

	June 30, 2021
Inactive plan members or beneficiaries currently receiving benefits	32,624
Active plan members	64,243
Total	<u>96,867</u>
Contributing employers	590
Contributing nonemployers	1

*Nonspecial Funding Situation* – The State of New Jersey's Total OPEB Liability for nonspecial funding situation was \$14,138,423,345 at June 30, 2021.

*Components of Net OPEB Liability* – The components of the collective net OPEB liability for Local Government Retired Employees Plan, including the State of New Jersey, is as follows:

	<u>June 30, 2021</u>
Total OPEB Liability	\$ 18,050,052,887
Plan Fiduciary Net Position	<u>50,271,652</u>
Net OPEB Liability	<u>\$ 17,999,781,235</u>
Plan Fiduciary Net Position as a Percentage of the Total OPEB Liability	0.28%

*Actuarial Assumptions and Other Inputs* – The total OPEB liability as of June 30, 2021 was determined by an actuarial valuation as of June 30, 2020, which was rolled forward to June 30, 2021. The actuarial assumptions vary for each plan member depending on the pension plan the member is enrolled in. These actuarial valuations used the following actuarial assumptions, applied to 2021 in the measurement:

	<u>June 30, 2020</u>
Inflation	2.50%
Salary Increases*:	
Public Employees' Retirement System (PERS)	
Rate through 2026	2.00% to 6.00%
Rate thereafter	3.00% to 7.00%
Police and Firemen's Retirement System (PFRS)	
Rate for all future years	3.25% to 15.25%

\* Salary increases are based on years of service within the respective plan.

Preretirement and postretirement mortality rates were based on the Pub-2010 Safety Headcount-Weighted mortality table with fully generational mortality improvement projections from the central year using the MP-2021 scale.

Actuarial assumptions used in the July 1, 2020 valuation were based on the results of the PFRS and PERS experience studies prepared for July 1, 2013 to June 30, 2018 and July 1, 2014 to June 30, 2018 respectively.

100% of active members are considered to participate in the Plan upon retirement.

*Discount Rate* - The discount rate for June 30, 2021 was 2.16%. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer GO 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

*Sensitivity of the State's Net OPEB Liability to Changes in the Discount Rate* - The following presents the net OPEB liability as of June 30, 2021, calculated using the healthcare trend rate as disclosed above as well as what the net OPEB liability would be if it was calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

	1% Decrease	At Discount Rate	1% Increase
Total Net OPEB Liability - 2021	\$ 21,182,289,882	\$ 17,999,781,235	\$ 15,477,574,697

*Sensitivity of the State's Net OPEB Liability to Changes in the Healthcare Cost Trend Rates* – The following presents the net OPEB liability as of June 30, 2020, calculated using the healthcare trend rate as disclosed above as well as what the net OPEB liability would be if it was calculated using a healthcare trend rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	1% Decrease	Healthcare Cost Trend Rate	1% Increase
Total Net OPEB Liability - 2021	\$ 15,017,879,689	\$ 17,999,781,235	\$ 21,890,793,528

*Special Funding Situation* - The State of New Jersey's Total OPEB Liability for special funding situation was \$3,861,357,890 at June 30, 2021.

Under Chapter 330, P.L. 1997, the State shall pay the premium or periodic charges for the qualified local police and firefighter retirees and dependents equal to 80 percent of the premium or periodic charge for the category of coverage elected by the qualified retiree under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L.1989.

Therefore, these employers are considered to be in a special funding situation as defined by GASB Statement No. 75 and the State is treated as a non-employer contributing entity. Since the local participating employers do not contribute under this legislation directly to the plan, there is no net OPEB liability, deferred outflows of resources or deferred inflows of resources to report in the financial statements of the local participating employers related to this legislation. However, the notes to the financial statements of the local participating employers must disclose the portion of the nonemployer contributing entities' total proportionate share of the collective net OPEB liability that is associated with the local participating employer. The participating employer is required to record in their financial statements, as an expense and corresponding revenue, their proportionate share of the OPEB expense allocated to the State of New Jersey under the special funding situation.

The amounts of the State's Non-employer OPEB Liability that are attributable to employees and retirees of the Borough of Glen Ridge was \$10,218,389.00 (43 members) at June 30, 2021. These allocated liabilities represent 0.264320000% of the State's total Nonemployer OPEB Liability for June 30, 2021. The OPEB Expense attributed to the Borough was (\$1,394,338.00) at June 30, 2021.

**11. MUNICIPAL DEBT**

The Local Bond Law governs the issuance of bonds and notes to finance general capital expenditures. All bonds are retired in serial installments within the statutory period of usefulness. Bonds issued by the Borough are general obligation bonds, backed by the full faith and credit of the Borough. Bond anticipation notes, which are issued to temporarily finance capital projects, must be paid off within 10 years and 5 months or retired by the issuance of bonds.

The Borough's debt as of December 31<sup>st</sup> is summarized as follows:

\* Required for school operations for the six-month period following December 31<sup>st</sup>.

**14. RISK MANAGEMENT**

The Borough is a member of the North Jersey Intergovernmental Insurance Fund for various insurance coverages.

**15. CONTINGENT LIABILITIES**

**a. Compensated Absences**

The Borough permits its employees to accrue unused vacation and sick pay, which may be taken as compensatory time off or paid at a later date, at an agreed upon rate. It is estimated that the sum of \$1,182,847.65 and \$1,077,876.17 is due and payable to employees and officials of the Borough as of December 31, 2022 and 2021, respectively upon their retirements or other separations. This amount was not verified by audit.

**b. Tax Appeals**

As of December 31, 2022, the Borough Attorney indicated that there were several State Tax Appeals pending before the New Jersey Tax Court.

Judgments, adverse to the Borough, would apply to the year of appeal plus at least two subsequent years. Refunds or tax credits, including statutory interest thereon, would be chargeable to operations or future budget appropriations.

County taxes paid on the reductions in assessed valuations are subject to credits against County Tax Levy of the year subsequent to the year in which appeals were adjudicated.

**c. Federal and State Awards**

The Borough participates in several Federal and State grant programs which are governed by various rules and regulations of the grantor agencies; therefore, to the extent that the Borough has not complied with the rules and regulations governing the grant, refunds of any money received may be required and the collectability of any related receivable at December 31, 2022 and 2021 may be

impaired. In the opinion of management, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provisions have been recorded in the accompanying statutory basis financial statements for such contingencies.

**d. Litigation**

The Borough is involved in claims incidental to its operation which has been referred to and are being handled by the Borough's liability insurance carrier. No claims are to be in excess of insurance coverage limits.

**16. DEFERRED CHARGES TO BE RAISED IN SUCCEEDING YEARS BUDGET**

The following deferred charges are shown on the December 31, 2022 and 2021 balance sheets of the Borough's Current Fund, Federal and State Grant Fund and Pool Utility Fund:

	December 31, 2022		December 31, 2021	
		Raised in		Raised in
	Amount	Succeeding Year Budget	Amount	Succeeding Year Budget
Current Fund (COVID-19)	\$ 117,000.00	\$ 117,000.00	\$ 160,000.00	
Current Fund (Tax Revaluation)			55,000.00	\$ 55,000.00
Total Current Fund	<u>\$ 117,000.00</u>	<u>\$ 117,000.00</u>	<u>\$ 215,000.00</u>	<u>\$ 55,000.00</u>
Federal and State Grant Fund (Overexpenditure)	<u>\$ 52,178.67</u>	<u>\$ 52,178.67</u>	<u>\$ -</u>	<u>\$ -</u>
Pool Utility (COVID-19)	<u>\$ 220,000.00</u>	<u>\$ 220,000.00</u>	<u>\$ 275,000.00</u>	<u>\$ -</u>

In 2019 deferred charges in the Current Fund resulted from a special emergency authorization of \$275,000.00 for the revaluation of the Borough's tax assessments. The final deferred charge of \$55,000.00 was raised in the Borough's 2021-2022 budget. The COVID-19 special emergency declared for the year ended December 31, 2020 in the amount of \$160,000.00 and \$275,000.00 in the Current Fund and Pool Utility Fund, respectively was raised to cover anticipated revenue deficits in both the Current Fund and the Pool Utility as a direct result of the expected revenue losses impacted by the global pandemic, COVID-19. During the 2023 budget process, the chief financial officer elected to raise the total deferred charges for the COVID-19 emergency for the year ended December 31, 2023. The over-expenditure identified above was generated by the timing difference of the amount paid or charged and the State's formal approval for the body worn camera grant. This amount has been approved by the State subsequent to the year ended December 31, 2022 and will be raised in the 2023 budget.

**17. LESSOR REVENUE**

On July 1, 2020, the Borough entered into a lease agreement with the Glen Ridge Board of Education to rent a parcel of land located between Bloomfield Avenue and Belleville Avenue, commonly known as Hurrell Field together with buildings and athletic stands. The rent will be \$75,000.00 each year payable in \$6,250.00 monthly installments. The term of the lease is one year and will renew automatically and indefinitely until either party unilaterally terminates the agreement with six months written notice prior to the next renewal period.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**18. GASB 77 TAX ABATEMENTS**

The Borough has entered into several property tax abatement agreements in order to provide incentives to redevelop areas that are in need for improvement or to create economic growth. These agreements are authorized under various New Jersey state statutes. The following represent the Borough's most significant tax abatement agreements:

Entity Name	Pilot Billing	Taxes if Billed in Full	Abated Taxes
CLARUS	\$ 653,981.17	\$ 926,202.35	\$ 272,221.18
	<u>\$ 653,981.17</u>	<u>\$ 926,202.35</u>	<u>\$ 272,221.18</u>

**19. SUBSEQUENT EVENTS**

The Borough has evaluated subsequent events occurring after December 31, 2022 through the date of June 30, 2023, which is the date the financial statements were available to be issued. Based on this evaluation, other than the event identified in footnote #18, the Borough has determined no other subsequent events have occurred which requires disclosure in the financial statements.

**PART III**  
**REPORT ON INTERNAL CONTROL AND  
OTHER MATTERS - SINGLE AUDIT ATTACHMENTS**  
**YEARS ENDED DECEMBER 31, 2022 AND 2021**

**Report on Internal Control Over Financial Reporting and on Compliance and Other  
Matters Based on an Audit of Financial Statements Performed in Accordance With  
*Government Auditing Standards***

**Independent Auditors' Report**

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge  
Glen Ridge, New Jersey**

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and the audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey ("Division"), the regulatory basis financial statements of the Borough of Glen Ridge, New Jersey ("Borough") as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements, and have issued our report thereon dated June 29, 2023 in which we expressed an adverse opinion on the conformity of the statements with accounting principles generally accepted in the United States of America due to the differences between those principles and the financial reporting provisions of the Division.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Borough's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Borough of Glen Ridge**

Page 2

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Borough's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and by the Division.

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Borough's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal and State Program and  
Report on Internal Control Over Compliance Required by the  
Uniform Guidance and NJ OMB Circular 15-08**

**Independent Auditors' Report**

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge  
Glen Ridge, New Jersey**

**Report on Compliance for Each Major Federal and State Program**

We have audited the Borough of Glen Ridge, County of Essex, New Jersey (the "Borough") compliance with the types of compliance requirements described in the *OMB Compliance Supplement and the New Jersey State Aid/Grant Compliance Supplement* that could have a direct and material effect on its major federal and state programs for the year ended December 31, 2022. The Borough's major federal and state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Borough complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended December 31, 2022.

**Basis for Opinion on Each Major Federal and State Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") and New Jersey OMB Circular 15-08 *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Borough and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program. Our audit does not provide a legal determination of the Borough's compliance with the compliance requirements referred to above.

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge**

Page 2

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Borough's federal and state programs.

**Auditors' Responsibility for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Borough's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Governmental Auditing Standards*, and the Uniform Guidance and New Jersey OMB Circular 15-08 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error; as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Non-compliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Borough's compliance with the requirements of each major federal and state program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, the Uniform Guidance and New Jersey OMB Circular 15-08, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Borough's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Borough's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and New Jersey Circular 15-08, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Report on Internal Control Over Compliance**

A *deficiency in internal control* over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

**The Honorable Mayor and Members  
of the Borough Council  
Borough of Glen Ridge**

Page 3

A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and New Jersey Circular 15-08. Accordingly, this report is not suitable for any other purpose.

### **NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE DECEMBER 31, 2022**

**1. General**

The accompanying schedules of expenditures of federal awards and state financial assistance present the activity of all federal awards and state financial assistance programs of the Borough of Glen Ridge. The Borough is defined in Note 1 to the Borough's financial statements. To the extent identified, the federal award and state financial assistance that passed through other governmental agencies is included on the schedules of expenditures of federal awards and state financial assistance.

**2. Basis of Accounting**

The accompanying schedule of expenditures of federal awards and state financial assistance are presented using the regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is described in Note 2, Summary of Significant Accounting Policies, of the Borough's financial statements. The information in the schedule of expenditures of federal awards and state financial assistance is presented in accordance with the OMB Uniform Guidance and New Jersey OMB 15-08.

**3. Relationship to Basic Regulatory-Basis Financial Statements**

Amounts reported in the accompanying schedule agree with the amounts reported in the related federal and state financial reports.

**4. Indirect Cost Rate**

The Borough has elected not to use the ten percent de minimis indirect cost rate as allowed by the Uniform Guidance.

The Borough is covered through the Municipal Excess Liability Joint Insurance Fund. The coverage is \$1,000,000.00 for covered employees (Tax/Water Collector, Chief Financial Officer and the Court Magistrate, Clerk and Administrator). All other employees are covered in the amount of \$50,000.00.

### **Contracts and Agreements Required to be Advertised per (N.J.S.A. 40A:11-4)**

N.J.S.A. 40A:11-4, as amended, states "Every contract or agreement, for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds not included within the terms of Section 3 of this act, shall be made or awarded only by the Governing Body of the contracting unit after public advertising for bids and bidding therefore, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate the amount set forth in, or the amount calculated by the Governor pursuant to (N.J.S.A. 40A:11-3c) except by contract or agreement."

It is pointed out that the Borough Council has the responsibility of determining whether the expenditures in any category will exceed the threshold set for the fiscal year and, where question arises as to whether any contract or agreement might result in violation of the statute, the opinion of the Borough Attorney should be sought before a commitment is made.

The bidding threshold for the period under review was \$44,000.00 in accordance with the provisions of N.J.S.A. 40A:11-3a, based on the appointment of a qualified purchasing agent.

Notwithstanding N.J.S.A. 40:11-3a, P.L. 2005, Chapter 51 and N.J.S.A. 19:44A-20.5, known as the "Pay to Play Law", provides that a municipality is prohibited from executing any contract in excess of \$17,500.00, on or after January 1, 2006, to a business entity that made certain reportable contributions to any municipal committee of a political party if a member of that party is in office as a member of the governing body of the municipality when the contract is awarded unless proposals or qualifications are solicited through a fair and open process.

It is further noted that contracts between \$17,500.00 and the municipal bidding threshold, known as "window contracts", can be issued by resolution of the governing body without competitive bidding if a non-fair and open process is implemented which prohibits reportable contributions by the business entity. This procedure has been implemented by the Borough.

The minutes indicate that bids were requested by public advertising for all required purchases.

Inasmuch as the system of records did not provide for an accumulation of payments for categories of materials and supplies or related work or labor, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

The minutes indicate that proposals were solicited for "Professional Services" in accordance with N.J.S.A. 19:44A-20-5.

It is also noted that certain contracts were awarded under the provisions of N.J.S.A. 40A:11-12, New Jersey State purchasing contracts.

### **Purchases, Contracts or Agreements Not Required to be Advertised (N.J.S.A. 40A:11-6.1)**

N.J.S.A. 40A:11-6.1 states "Except contracts which require the performance of professional services, all contracts or agreements which do not require public advertising for bids and the estimated cost or price exceeds \$6,600.00 at least two quotations as to the cost or price are required. Quotations, whenever practicable, shall be solicited by the contracting agent, and the contract or agreement shall be made with and awarded to the lowest responsible bidder."

### **Property Acquired by Tax Title Lien Liquidation**

There are three properties which remain in tax title lien. If these properties are not readily saleable, they should be placed in the exempt category or otherwise disposed of.

### **Delinquent Taxes and Tax Title Liens-**

Delinquent taxes and tax title liens at December 31, 2022 were \$276,031.65.

### **Revenues**

Receipts from licenses, fees, fines and costs, etc., for all departments, including the Municipal Court, were checked to the records maintained to the extent deemed necessary. The following exception was noted.

#### **Finding 2022-001:**

Our examination of animal control receipts and animal control licenses recorded in the monthly reports submitted to the State of New Jersey revealed an immaterial difference from the posting made in the software system. It was noted during testing that the animal control department did not submit monthly dog license reports to the State of New Jersey. Additionally, no current year license payments were made to the State of New Jersey.

We recommend the Borough submit monthly dog license reports at the end of each month and perform department reconciliations from department records to submitted remittance reports to the State of New Jersey.

### **Payment of Claims**

The examination did not and could not determine the character of services rendered for which payment had been made or for which reserves had been set up, nor could it determine the character, proper price or quantity of materials supplied for which claims had been passed. Authorization for payment of claims is delegated to the Chief Financial Officer and bill lists are submitted to the Borough Council for approval and recorded as a supplement to the official minutes.

Claims were examined on a test basis for the year under audit and the following opportunity for improvement was noted:

#### **2022-002**

In accordance with N.J.A.C. 5:30-5.3, a certification of availability of funds must be made prior to any commitment of rendered services or purchased goods. During our testing, we noted certain transactions were committed prior to the certification of availability of funds.

We recommend that all requisitions are submitted and the CFO certify the availability of funds prior to any commitment of services or receipt of goods.

### **Purchase Order System and Encumbrance System**

The Borough's budgetary operation is on a full encumbrance system with the exception of payrolls and other direct costs. All purchases are made directly by the purchasing department or subsequently confirmed on an emergency basis. Blanket orders and other outstanding encumbrances were reviewed at the close of the year, and adjustments and cancellations were made where appropriate to reflect actual commitments outstanding for budgetary control.

### **Status of Prior Years' Audit Recommendations**

In accordance with regulations promulgated by the Single Audit Act and the Division of Local Government Services, all municipalities are required to prepare and submit to the Division of Local Government Services, a Corrective Action Plan with regard to audit deficiencies. This plan must be approved by formal resolution of the Governing Body and submitted within 60 days from the date the audit is received. A plan was prepared for items found in the CY 2021 Report on Examination of Accounts.

A review was performed on all prior years' recommendations and findings. Findings 2022-001 and 2022-002 are repeated from the prior year.

### **Miscellaneous**

A statutory report on the operations of the Municipal Court was prepared as part of our examination and copies filed with the New Jersey Administrative Office of the Courts, the Division of Local Government Services, the Municipal Court and the Borough Clerk.

Revenue and receipts were established and verified as to source and amount only insofar as the local records permitted.

A statutory report summarizing collections of Dog License Fees and remittances of State Registration Fees was prepared and filed with the New Jersey Department of Health and the Division of Local Government Services.

A separate Trust Fund for State Unemployment Insurance Compensation is detailed in Section "B" herein.

As a separate report on the operations of the Uniform Construction Code Office was also prepared and filed with the New Jersey Division of Local Government Services.

All sums of outstanding checks shown in cash reconciliations, herein, are in agreement with the records of the Treasurer.

A copy of this report was filed with the New Jersey Division of Local Government Services.

A summary or synopsis of this report was prepared for publication and filed with the Borough Clerk.

## **RECOMMENDATIONS**

### Revenues:

The Borough should submit monthly dog license reports at the end of each month and perform reconciliations from department records to submitted remittance reports.

### Payment of Claims:

The Borough should certify to the availability of funds prior to any commitment of rendered services or purchase of goods.

The foregoing comments and resultant recommendations are not of sufficient materiality whereby they would affect our ability to express an opinion on the financial statements as a whole.

We shall be pleased to confer with the members of the Borough Council on questions that might arise with respect to any matters in this report.

We desire to express our appreciation for the assistance and courtesies rendered by the Borough officials and employees during the course of our examination.
