

**Borough of Glen Ridge
Notice of Application of Vegetation Control**

On July 7th with a rain date of July 8, 2020 and July 9, 2020 vegetation control will be applied to various cobble stone gutters throughout the Borough.

Application by TruGreen of 9 Middlebury Blvd., Randolph, NJ 07869, License # 90340A.

The local representative of TruGreen is Thomas Hart, Commercial Representative, of 9 Middlebury Blvd., Randolph, NJ 07869, telephone 973-252-0140

The following products will be used: Glufosinate ammonium (a.k.a. Cheetah Pro)

Application equipment to be used will be with a handheld sprayer.

For routine health inquiries and to obtain information about signs and symptoms of pesticide exposure call:

The New Jersey Poison Information and Education System: 800-222-1222

National Pesticide Information Center: 800-858-7378

For pesticide regulation information, pesticide complaints, and health referrals call:

NJ DEP Pesticide Control Program: 609-984-6507

Upon request, the pesticide applicator or applicator business shall provide a resident of notification at least 72 hours prior to the application, except for Quarantine and Disease Vector Control only, when conditions necessitate pesticide applications sooner than that time.
