

Borough of Glen Ridge
Stormwater Outfalls – Toney's Brook (EC – Essex County; GR – Glen Ridge)

This is a detailed sanitary sewer map of a neighborhood in Bloomfield, New Jersey. The map shows several streets: Clark Avenue running north-south, Snowden Place running east-west, Lackawanna Avenue running diagonally from northwest to southeast, and Park Avenue running northeast-southwest. Other streets shown include Woodland Avenue, D.L. & W.R.R. Road, and Hillside Avenue. Key landmarks include the G.R. Congregational Church, G.R. Women's Club, U.S. Post Office, Christ Church, and a playground. The map illustrates the existing sewer system with various pipe sizes (e.g., 18" R.C.P., 24" R.C.P., 15" V.C.B.) and features like drop inlets, overflow basins, and manholes. A legend at the bottom indicates that reconstruction was done by Bloomfield in 1978.
