

Styrofoam Recycling Program

Starting in December 2019, the Borough of Glen Ridge will provide residents the ability to recycle clean white EPS (Expanded Polystyrene) materials, also known as Styrofoam.

This collection will take place on the second Saturday of each month from 9:00am to 1:00pm during electronics recycling in the Public Works Maintenance Yard, located at 122 Carteret Street.

Now you can recycle the packaging from your new furniture/electronics/appliance when recycling your old electronics.

Acceptable Styrofoam materials include:

EPS Foam Sheets

EPS Foam Cooler

EPS Foam Packaging

To prepare your Styrofoam for recycling:

- Identify the foam by recycle symbol #6
- Remove any foreign material such as tape, stickers, labels, and cardboard

Styrofoam materials **NOT** accepted for recycling include:

White Cups

Colored Plate

Food Service Trays

Peanuts

Egg Cartons
