

Borough of Glen Ridge THE HEALTH AND SAFETY RULES FOR DOGS

DOG LICENSES

New Jersey State Law requires that dogs must be licensed each year. Rabies vaccination must be current through October 1, 2012. An application is on the reverse side of this form. All dogs, seven months of age or older must be licensed every year. In order to be licensed, a dog must have a current rabies immunization.

FEES – License for spayed and neutered dogs cost \$18.00; license fee for all non-sterilized dogs is \$21.00. License and adoption fees for spayed and neutered animals are intended to help control the rise in the dog and cat populations and the incidence of abandonment.

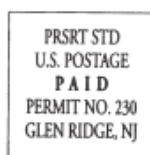

Applications are due by January 31, 2012. If paid after January 31st add \$10 for each month late.

All dogs must be leashed or confined to the owner's property. Dogs are not allowed in public buildings, restaurants, or stores (guide dogs excepted). Dogs may not damage, deface or deposit waste on the property of others or on public property. The "pooper-scooper" law is in effect. Dogs may not annoy neighbors by continuous barking or howling. Violators of the Borough Codes may be subject to a fine.

You may call The Glen Ridge Police Department at 973-748-5400 with a dog complaint.
