Dear Mr. Rohal;

Green Sky Industries, Inc. is pleased to offer the Borough of Glen Ridge a proposal for renewing our recycling agreement for another three (3) year term.

For **Single Stream Material**, defined as all grades of fiber combined with commingled bottles and cans, Green Sky Industries, Inc. will offer the Borough of Glen Ridge a fixed rebate of **\$30.00** per ton for the duration of the agreement.

In addition, Green Sky Industries, Inc. will continue to place a 40 cubic yard container at your depot for the collection and storage of Glen Ridge's electronic waste. Any electronic device such as Computers, monitors, printers, televisions etc. are acceptable. We will pickup the full container and replace with an empty as needed. There will be a **\$25.00** per ton rebate for the material. The storage container and transportation will be provided free of charge for the duration of the agreement.

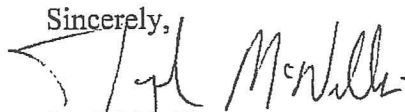

We are also pleased to incorporate these additional programs for contracted Municipalities that enhance our municipal partner's compliance with the latest DEP mandates:

- Education Outreach Program in schools: One of our on-staff certified New Jersey teachers will offer interactive lessons focusing on reuse, reduce, and the proper way to recycle to Glen Ridge's elementary school students at no cost to the Borough.

- Confidential Document Shredding at the Municipality offices: Green Sky Industries, Inc. will provide monthly high speed shredding of confidential material at the Borough's Municipal Offices. We will also provide sufficient lockable containers to be placed at these locations for the collection and storage of this material.
- Green Sky Industries, Inc. will provide twice annually mobile high speed shredding equipment along with the necessary staff to operate the equipment to be placed at a location of Glen Ridge's choosing. We will also provide lockable containers to hold the confidential materials in the process of being shredded. These events will be open to all of Glen Ridge's residents.

It would be my privilege to work with you and your staff. I can assure you that as your direct account representative I will always be available for any assistance you may require.
