Dear Michael Zicchelli:

Congratulations! I am pleased to advise you that after our review, the New Jersey Forest Service has concluded that Glen Ridge Borough's second 5 year Community Forestry Management Plan meets the standards set forth by the State and New Jersey Community Forestry Council and is approved for 2010 through the 2014 calendar year.

The major goal of the state's Community Forestry Program is to educate all municipalities and counties in the state about the benefits of developing their own distinctive Community Forestry Management Plan. As these plans develop, the health of the tree cover will improve, the number of trees will increase and the awareness of our state's residents will rise.

As you know, a management plan is an essential guide to successfully achieving a healthy and safe community forest. The approval of your second 5 year Community Forestry Management Plan is a great accomplishment, and a testament to the growth and sustainability to your shade tree program. We look forward to continuing this partnership with you and your community, and your continued success.

If you are a participant of the Forest Service grant program, the next step would be to submit your expenditure report and financial documentation for reimbursement within 30 days. Please find the enclosed certificate of approval and a signed certification by the State Forester within your management plan.

Sincerely,

Michael V. D'Errico  
State Coordinator  
Community Forestry

**Telephone Reassurance Program Information Card**

Do you know a homebound senior in Essex County? The National Council of Jewish Women, Essex County Section is offering a free, non-sectarian program -- **The Telephone Reassurance Program** -- and it may be just right for them.

This program's focus is to provide a warm and friendly voice to check in weekly on a homebound senior via telephone. Our volunteers are assigned to individual seniors and are trained to be active and supportive listeners.

We kindly ask that you place these Telephone Reassurance Program information cards where seniors in need or their family members can access them.

Please contact Sue Wasserman at 973-740-0588 ext. 22 or [swasserman@ncjwessex.org](mailto:swasserman@ncjwessex.org) with any questions concerning the Telephone Reassurance Program or if you are in need of additional cards. Thank you for your assistance with promoting this free support program to the senior community and those who care for them.

Very truly yours,

Dear Mike,

I am writing to thank you and the Public Works Department for the good work you did salting our parking lots. John DuBuque told me that the trucks arrived ten minutes after he made the phone call.

Please relay to your staff how much we appreciate their hard work. The safety of students, staff and parents depends on it.

Sincerely yours,

John M. Mucciolo, Ph.D.  
Superintendent of Schools
