To the Mayor and Town Council:

On behalf of the Glen Ridge Golden Circle Seniors, we the members, would like to express our appreciation for the two large buses you provided for our use. Our first trip was in April to the Hunterdon Hills Playhouse where we enjoyed a delicious lunch and a wonderful play, "The Sunshine Boys". Our second trip was last week to Kykuit, the Rockefeller mansion in Tarrytown, N.Y. The mansion sits on top of a hill overlooking a panoramic view of the Hudson River. The scenery at this time of the year is breathtaking. The tour was most informative and it was delightful to see all the home's majestic furnishings and artifacts.

The trips afforded us the opportunity to enjoy each other's company and see something different from our normal routine. Thank you again.

Sincerely yours,
Phyllis A. Driley
