

A Workshop Session of The Mayor and Borough Council of The Borough of Glen Ridge was held on Monday, January 10, 2011 in the Mayor's Office of The Municipal Building, Glen Ridge, New Jersey at approximately 6:30 p.m.

Present: Council President Dawson, Councilpersons Baker, Lefkovits and Lisovicz.

Absent: Mayor Hughes & Councilperson Patrick

The following Borough Officers were in attendance: Borough Administrator/Clerk/Engineer Rohal and Attorney Malyska.

Administrator Rohal reviewed the agenda. He stated that there will be a consent agenda due to the number of statutory resolutions which the Borough is required to adopt. He noted that a Council member may request to remove a resolution from the consent agenda and vote on it separately.

Administrator Rohal reviewed the professional appointments which were the result of a fair and competitive process in accordance with the state statute.

Administrator Rohal stated that the public hearings for the three ordinances which will be introduced this evening will be February 14th. A summary of the ordinances follows:

The fee ordinance is the result of a change in state regulations which allows municipalities to raise the maximum ordinance fine to \$2,000. The current Borough maximum fine is \$1,000.00.

The Highland Avenue parking ordinance was being reintroduced since no final action was taken in 2010.

The canvassing ordinance is the result of case law which states the hours for canvassing should be 9:00 am to 9:00 pm. Administrator Rohal noted that a do not solicit list was held to be valid and the Borough had adopted an enabling ordinance several years ago. Attorney Malyska proposed additional language to the Canvassing Ordinance regarding minors. It was decided that there will be an amendment to the ordinance adopting Attorney Malyska's recommendation.

Councilperson Lisovicz stated that there was good news from the County that the permit times from last year will be renewed at Watsessing Park for the spring season.

The workshop session was adjourned at approximately 7:25 p.m.
