ABSENT:

**Welcome**

Mr. Mason welcomed the members to meeting.

**Appointments**

Chair Mason made the following appointments:

Board Engineer:     David Battaglia, P.E.

On motion by Chair Mason, seconded by Mr. Zichelli, the appointments were confirmed by the members of the Board.

**Master Plan Re-examination Report Presentation**

Jeffrey Janota and Nicole Venezia were in attendance of the meeting for H2M Associates. Mr. Janota discussed the layout of the draft re-examination report and its organization. The Board went through each element, providing feedback on the report and discussing some of the listed

recommendations. Several items were identified to be updated from the previous draft and wording revised

Mr. DeLine discussed the timing of the Master Plan Re-examination Report, stating that an adoption date for a June 17<sup>th</sup> adoption hearing would be difficult because of the formatting necessary for the final draft report, notification requirements, and the upcoming Memorial Day weekend. It was agreed by the Board that the public hearing for adoption would be held at the July Planning Board meeting.

**Public Comment**

Chair Mason opened the meeting to public comment. No comments were made.

**Adjournment**

On motion by Councilor Morrow, seconded by Mr. Hegarty, the meeting was adjourned.

Respectfully Submitted,

Erik DeLine, PP/AICP  
Secretary
