

BOROUGH OF GLEN RIDGE NEWSLETTER

Volume 1 / Issue 1

Mayor Debbie Mans

MESSAGE FROM THE MAYOR

Greetings,

Glen Ridge is a dynamic, diverse, and thriving small community, situated in a historical setting -- a truly special place in which to live! Located in the heart of Essex County, we are a walkable and bikeable community with easy access to New York City by car, bus or train. Visitors to Glen Ridge are greeted by lovely gas lamp lit, tree-lined streets and well-maintained historic homes.

Beyond its ambience, Glen Ridge is noted for its excellent, highly rated school system, a police department committed to providing a quality service to our residents through the cultivation of community partnerships and mutual respect, and a library, on the leading edge of service and technology, which provides all our residents a place to learn, discover and grow.

Our community is enhanced not only by the professionalism of our administrators and staff, but also by the hundreds of resident volunteers who contribute their efforts to over 25 boards, agencies and other organizations that provide valuable community services, with a neighborly and caring touch, covering almost every facet of life in the Borough. We are proud to have an award-winning Shade Tree Commission and obtaining "Silver Status" from Sustainable Jersey several years in a row.

On behalf of myself and the Borough Council, who shares my commitment to fostering a welcoming and inclusive community, thank you for taking time to learn more about our wonderful community.

- Mayor Debbie Mans

The Office of the Municipal Clerk

Borough Clerk Tara Ventola, RMC
tventola@glenridgenj.org
 825 Bloomfield Avenue
 Glen Ridge, NJ 07028
 973-748-8400 x 222

The Municipal Clerk's Office is a critical component to keep the municipality functioning, as almost every aspect of Borough business must pass through the Clerk's office. One of the most important tasks is to serve as a liaison between the governing officials and the residents of Glen Ridge. The Municipal Clerk has responsibilities required by New Jersey Statute which include the following:

- As Secretary to the Governing Body attends all Borough Council meetings and is responsible for the preparation of the agendas and minutes for those meetings. Maintains originals of minutes, ordinances and resolutions. The Municipal Clerk provides the public with information and processes requests for public records.
- As Secretary to the Municipal Corporation is the custodian of the municipal seal and keeper of the municipality's records including all minute books, deeds, bonds, contracts, and archival records.
- Chief Administrative Officer of Elections certifies vacancies of Council and suggests polling places to the County Clerk, along with other election duties. I work closely with the County Clerk's Office and County Clerk Christopher Durkin (pictured above).
- As Chief Registrar of Voters provides residents with voting forms and ensures completed forms are submitted to the County.
- As Administrative Officer accepts applications and issues licenses and permits and conducts business with other municipal departments.
- As Records Coordinator and Manager is responsible for implementing local archives and records retention program as mandated.

As the Borough Clerk I often find myself working and coordinating with vendors and department heads to bring new technology to the Borough. In 2024 we are launching the new and improved Service Request Portal through Gov Pilot; residents will be able to seek general information, ask questions and lodge concerns online or via their smartphone and include exact coordinates and photos of the issue at hand. You can find the link on our website at www.glenridgenj.org.

You may have done business with my office without even realizing it. On a day-to-day basis I issue dog licenses, liquor licenses and raffle permits; correspond with many residents via email and over the phone and my office is room 102 in the Municipal Building. You can also find me sitting behind the Council members at Council meetings calling the roll and taking notes for the minutes.

As part of giving back to the community, I coordinate the yearly "Roslyn Bolcato" Toys for Tots Drive to aid families in need and participate in Neighbor to Neighbor "Adopt a Family". In 2024 I also plan to run a retired flag collection drive, a sock collection drive for "Socktober" to help "sock up" the homeless and less fortunate with a basic need and hold a Toys for Teens collection drive to serve the older children of our community in need for the holidays.

Parks & Recreation Department <https://www.glenridgenj.org/parks.htm>

Glen Ridge Recreation programs and activities are administered by the Glen Ridge Parks and Recreation Department located in the Glen Ridge Senior/Community Center (Train Station) at 228 Ridgewood Avenue.

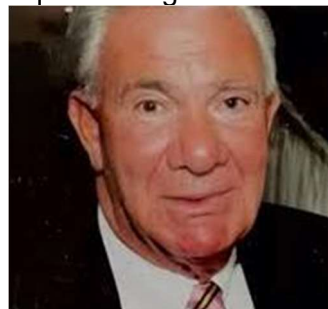

Jim Cowan, Director of Recreation (973) 748-2924 jtcowan@glenridgenj.org Register your e-mail address to receive announcements and information from Glen Ridge Recreation. Go to www.glenridgenj.org (bottom right of the home page) to join the list.

Senior Citizen Golden Circle Programs: Open to all Glen Ridge residents aged 55 and older. In addition to programs such as the monthly health screenings and luncheon at the Community Center, virtual on-line options for the weekly Yoga and Art programs were offered. The Recreation Department continued to run the very popular weekly grocery shopping trips for seniors. Bus and jitney day trips continue to be a program highlight. The year-end holiday gathering at Fitzgerald's was attended by over 30 resident seniors. We are pleased to welcome our new seniors activities coordinator, Kate Stanisci (pictured below with her fiancée, Connor and son Daniel). Do you have a suggestion for a senior citizen activity? Contact Kate seniors@glenridgenj.org

Freeman Tennis Courts: We are saddened by the loss of long-time courts manager, Peter DeCapua. During his tenure, Peter greatly improved the quality of the courts and substantially increased membership. Peter's love of tennis was equal only to his love of social interaction. The quintessential people person, Peter never went anywhere without striking up conversations with people he didn't know. We will miss him dearly, but his spirit will live on at Freeman Tennis Courts. Located on Woodland Avenue. Home of the Glen Ridge High School boys and girls tennis teams, the six clay courts are open seven days a week April through October (weather permitting). A permit fee is required. Registration is now open! Go to <https://www.glenridgenj.org/freemantenniscourts.htm>

Summer Day Camp: Proudly serving approximately the Borough youth annually for over 50 years, registration for this popular seven-week program for residents ages 5-12 is now open! Go to <https://www.glenridgenj.org/summerdaycamp.htm>

Glen Ridge Community Pool: The Glen Ridge Community Pool was built in 2003 and is operated by the Borough of Glen Ridge Recreation Department. It is a family-friendly pool open from Memorial Day weekend to Labor Day. Located just off Bloomfield Avenue at 35 Clark Street, the pool offers a variety of swimming and recreational activities. Registration is now open! Go to <https://www.glenridgenj.org/pool.htm>

Police Department <https://www.glenridgenj.org/public.htm>

Upcoming Events & Road Closures:

Glen Ridge Arts Festival – May 18th, 2024 – Ridgewood Avenue closed from Bloomfield Avenue to Lincoln Street

Rhino Romp Run – May 24th, 2024 – Road closures from 9AM to Noon

Memorial Day Parade – May 27th, 2024 – Road closures from 10AM to 1PM, Ridgewood Avenue between Bay and Woodland.

Annual Bike Rodeo – June 2024 at Central School Date TBD

Lager Run 5K – June 9th, 2024 – Road closures from 4PM to 8PM

Sunset Classic 8K – June 27th, 2024 – Road closures from 6PM to 8PM.

Traffic Officer

Sgt. Matthew Perigo has been assigned as the designated Glen Ridge Police Department Traffic Officer. He can assist the public with traffic related complaints. He can be e-mailed at mpperigo@glenridgenj.org

Police Department Annual Reports

The Glen Ridge Police Department makes the Annual Reports available to the Public for review. They can be found on the Borough's website by scanning the QR Code.

Follow us on Facebook and Instagram for the most up to date Police Department information.

Glen Ridge Public Library

<https://www.glenridgelibrary.org/>

240 Ridgewood Avenue, Glen Ridge, NJ 07028. Phone: (973) 748-5482 email: glrgcirc@bccls.org

Hours: Monday-Wednesday 9AM-8PM, Thursday-Saturday 9AM-5PM.

The Library is closed Saturdays from the Fourth of July until Labor Day.

Sign up for the Library's Newsletter! Go to <https://www.glenridgelibrary.org/contact-us.html> and fill out the form to join the list to receive the Library's weekly newsletter.

Tina Marie Doody, Library Director (973) 748-5482 tmddoody@glenridgelibrary.org

Board of Trustees

The Library has two new trustees! Marilyn Law and Edward Kastenmeier joined the Board in January 2024 and serve alongside Bernice Clark Bonnett (President), Geoffrey Darby (Vice President), Deanna Pagano (Secretary), David Lefkovits (Treasurer & Mayor's Delegate), Damein Phoenix (Superintendent's Delegate), Tina Payne and Jeanna Velechko.

24/7 Pickup Lockers

The Glen Ridge Public Library has Pickup Lockers available for patrons to pick up items 24/7, regardless of when the Library is open. Request your item(s) via the [Library's Catalog](#), and under "Pickup Library" select Glen Ridge Library Locker. The lockers are available for patrons with active cards in the BCCLS system.

Online Services

The Library's digital resources are available 24/7! Check out an ebook or eAudio book with [Libby/Overdrive](#), watch a movie with [Kanopy](#), learn a new language with [Mango](#), or read an article from the [NYT](#) or [WSJ](#). Visit <https://www.glenridgelibrary.org/onlineresources.html> for a full list of available resources.

Programming for All Ages!

The Library offers programming for all ages. From storytimes to after school clubs, author talks to crafts, and the Summer Reading Challenge there is something for everyone. Live Virtual Author Talks are now available! Register for an event or view a recording of a previous program at <https://libraryc.org/glenridgelibrary>. The full calendar is available at:

<https://bccls.libcal.com/calendar/glenridge/?cid=10286&t=m&d=0000-00-00&cal=10286>

Summer Reading

June, July and August will bring our annual Summer Reading Challenge, with this year's theme being "The Adventure Begin at Your Library". With programs and activities for all ages including the *Whalemobile*, special events, and raffles! Look for our calendar of events closer to the date.

Department Highlights

- **Children's**
March will be busy with a celebration for the 50th anniversary of Richard Scarry's Busytown and a Family Fun night with the funny and juggling master, Jester Jim! April showers will bring Earth day craft, a *Fun with a Community Helper* event featuring the Glen Ridge police, and a special Charles Schulz Peanuts Spring Break with daily activities. May will bring a Saturday story time and another *Fun with a Community Helper* program.
- **Teens**
The Young Adult area is still under construction, but we are hoping for a grand opening event in April. Stay tuned for more information. Meanwhile a selection of materials are still available and programs are open and available such as Anime Club, take-home crafts, and seasonal activities.
- **Adults**
Stop by for a book/movie/CD or take advantage of services such as Notary (by appointment), virtual and in-house programming, take-home crafts, Museum Passes, and the Library of Things.

Friends of the Library

Want to support the Library's activities? Join the Friends! Visit <https://www.glenridgelibraryfriends.org> for more information.

Glen Ridge Public Works Department

<https://www.glenridgenj.org/pworks.htm>

Single Stream Recycling

Rinse out all containers prior to recycling and remove and discard all caps.

- All cardboard, boxboard or chipboards including merchandise boxes
- All paper & paper products including soft cover books, brown paper bags, magazines, manila envelopes, wrapping & tissue paper, office paper, junk mail, phone books, paper towel rolls, newspapers & inserts
- All clear, brown & green glass bottles & jars (Remove & discard all caps)
- All tin, aluminum or steel cans, foils & trays
- All plastic bottles, jugs, containers & jars marked #1, #2 & #5
- Recycling bins placed curbside with no plastic bags

Rechargeable Battery Recycling Program

Residents can recycle their rechargeable batteries by taking them to the Public Works Yard during the Electronics Drop Off, held the second Saturday of every month from 9am – 1pm. Alkaline and single use batteries such as AAA, AA, C, D & 9V are safe to discarded in the trash.

Items With Freon & Large Household Appliances

Refrigerators, air conditioners, large electronic items & large household appliances will be picked up by the Borough on Wednesday morning by appointment only. To schedule a pick-up email dpw@glenridgenj.org or call 973-748-8400 ext 223.

Household Hazardous Waste Collection Day

Sat May 4, 2024, 8:30am – 4:00pm

Essex County Dept. of Public Works

99 West Bradford Ave, Cedar Grove, NJ

The ECUA Household Hazardous Waste (HHW) Collections allow residents to bring HHW to a single location for environmentally safe disposal. List of acceptable & unacceptable materials can be found

<https://www.ecuanj.com/portfolio/gallery-image-post/>

Glen Ridge Art Patrons Association

GRAPA has been known primarily for the Arts Festival that has been presented for the past 36 years in the town of Glen Ridge. GRAPA is no longer in charge of running the Arts Festival every year. Today GRAPA is focused on raising funds for gift awards that are presented every year at the Glen Ridge High School Advanced Students' Art Show in April. GRAPA also provides art professionals as judges for the selection of students for the scholarship awards that are presented from money generated by the Glen Ridge Arts and Eco Fair held in May every year. GRAPA has also provided support for the arts programs in the Glen Ridge school system through the purchase of computers, monitors, art scanners, art display easels and flat files for student art storage over the years. This year GRAPA is planning on offering an open studio later in the year in Glen Ridge featuring a live model, all mediums and levels are welcomed. The open studio is planned for Tuesday nights from 7 to 9:30pm.

For more information contact:

Louis Mercurio President

The Glen Ridge Athletic Association

Spring Sports

GRAA Spring Sports – Registrations for all Spring Sports are out now! Please visit GRAA.org for all the info.

Herman St. Shed: The GRAA would like to extend our sincerest thanks to Wesley Steele and his Eagle Scout troop for all the work they put in to organize the Herman St. sports equipment shed. What a job!

GRAA Scholarships

Scholarships available to GRHS seniors who participated in GRAA activities and gave back to the community by continued GRAA participation while in high school.

Applications are available on The GRHS Guidance Scholarship Webpage and Senior Guidance Google Classroom. The deadline to apply is 3/17/24.

GRAA board is seeking new members!

As we seek to replace board members who reach their term limits and work to strengthen our impact and community engagement, we are seeking talented individuals with the following skills and interests:

- Communications
- Social media
- Community relations
- Survey management
- Legal skills
- Website management
- Registration management

If interested, Please express your interest at this link: <https://registration.teamsnap.com/form/4223>

The deadline for submission is 2/29/24. If you have any questions, please contact the GRAA @ info@graa.org

Glen Ridge Community Fund

A characteristic of our small town is the willingness of neighbors to help people going through hard times, but it can be hard to identify how to do this. The Glen Ridge Community Fund raises money to assist residents in need while protecting their privacy. The GRCF donates to accredited agencies providing charitable, health, social welfare, and other services to residents. These recently included the Human Needs Food Pantry, the GR Ambulance Squad, Chrill Care (meals for homebound), the ARC (programs for people with disabilities), the YMCA, and Neighbor to Neighbor (assisting people with sudden financial or health-related needs with short-term funds or help navigating available resources). Any qualifying organization can apply for grants. The GRCF's volunteers of all ages support the Fitzgerald's Lager Run – this year on June 9! - and all profits go to the Fund. The Fund separately fundraises and relies on donations, big and small. New President Katie Hegarty took over recently, and we welcome anyone who enjoys helping others! To donate, volunteer, or learn more about this useful Glen Ridge tradition, please go to www.grcf.org.

Environmental Advisory Committee

The Glen Ridge Environmental Advisory Committee advances the borough's varied environmental initiatives to ensure the enduring sustainability of our community – preserving and protecting the air, land, water, and natural resources that are essential to our wellbeing and quality of life. The GREAC promotes better understanding of environmental conservation through outreach and training to residents and makes recommendations on town programs, policies and approaches. The committee has helped Glen Ridge meet the rigorous requirements to achieve Sustainable Jersey Certification at the silver level for three consecutive cycles.

Within the last year, we updated the recycling guide to make it more user-friendly, installed a new food scraps composting drop-off site, partnered with the library to distribute eco info, and held training sessions for residents on ways to reduce waste - all with the goal of sending less to the incinerator in Newark. We introduced a highly popular Pumpkin Smash event. At Clay Field and Benson Street Green, we installed new native pollinator gardens. We offer guidance on healthier lawn/garden care. And we promote safer bike-pedestrian transportation, storm water, and energy efficiency.

- ❖ Mark your calendars for May 18th and join us for our biggest expo of the year, the Glen Ridge Arts and Eco Fair featuring native plant sales from Toad Shade Farm, an EV car show, bike tune-ups, and more!
- ❖ Watch for our Third Annual "Pollinator Plant of the Year" sale, proceeds supporting our annual GRHS scholarship.
- ❖ And join us at events or to volunteer at a garden clean up or planting by signing up for eblasts at goglenridgegreen.org.

Freeman Gardens

As the garden slowly awakens from its slumber, the snowdrops and crocuses usher in spring and the beginning of a new season at Freeman Gardens. With the unfortunate loss of several cherished roses and trees has come the opportunity to plant new varieties to be enjoyed by future generations. The community's donations have made these plantings possible, and as always, we remain humbled by and grateful for your generosity. Spring is a time for celebration at the garden starting with our annual Rake and Bake spring clean-up event in April, plus a night of music and food trucks at Grub n' Roses (date TBD!). For those interested in hosting an event at the garden, please reach out to freemangardensreservations@gmail.com. Freeman Gardens is 100% volunteer-run, and as such, our community of volunteers is something we would love to see grow. Whether you enjoy weeding, pruning, digging in the earth or helping at events, volunteers are always welcome and needed! Find us on Instagram @freemangardens or reach out to freemangardens07028@gmail.com with any questions.

The Gas Lamp Players

Residents of Glen Ridge and beyond turned out to support local not-for-profit performing arts organization [Gas Lamp Players](http://GasLampPlayers.org) at the sold-out Mayor's Gala in October.

The fundraiser was headlined by Broadway legend Kelli O'Hara, who is currently starring in Broadway's *Days of Wine and Roses*. Members from the casts of Gas Lamp Players' recent productions *RENT* and *The Sound of Music* also performed.

Proceeds from the event and silent auction will help support future programs for the organization, which also provides participation scholarships to actors of all ages in need of financial assistance.

Visit GasLampPlayers.org to learn more and view the schedule of upcoming programs.

L: Theatre fans or not, a fun evening was had by all in support of Gas Lamp Players, whose mission is to nurture creativity, compassion, and community through the performing arts. M: Tony-award winner Kelli O'Hara wowed the audience with her enchanting and emotional performance. R: The cast of Gas Lamp Players' Teen Mainstage show *RENT* performing "Seasons of Love."

Historical Society

The Glen Ridge Historical Society was founded in 1977 to maintain and promote the historical character of Glen Ridge. We are a voluntary membership organization that seeks to protect and champion the town's unique character and rich architectural history. Our mission is to educate the community about local history and to preserve important historical artifacts and resources.

Our annual scheduling includes a walking tour in October, programs in winter and spring on subjects such as local history, architecture, garden design, and antiques; and a members only holiday party in December at a Glen Ridge home. Educational programs for adults and children offer opportunities to learn about the history of Glen Ridge. The Historical Society publishes an award-winning newsletter, *The Gaslamp*, with its carefully researched articles on architecture, local history, education, and fun anecdotes from Glen Ridge's past. Recently we hosted a lecture by Glen Ridge resident Richard Polton on Paterson's Industrial Age and are looking forward to our annual meeting in April.

Memorial Day Parade

On Monday, May 27th, the Kiwanis Club of Glen Ridge is looking forward to coordinating the annual Memorial Day Parade and town picnic on behalf of the Borough. This decades-long tradition brings out hundreds of participants and spectators alike as an unofficial kickoff to summer! All non-commercial/nonpartisan volunteer organizations are welcome to participate. Youth-oriented clubs comprise many of the marchers and participants, but the parade reflects most of the clubs in town and is open to new entrants. In 2023, the YUKULADIES joined the parade for the first time and rode in a showstopper float while strumming and performing "This Land is Your Land"! The parade kicks off with a long line of vintage cars owned by local residents and is topped off by the Glen Ridge High School Marching Band. Boy and girl scouts assist in the Service of Remembrance following the parade by placing wreaths in front of the war memorials located in front of Ridgewood Avenue School and the Glen Ridge Library. Following the parade and service, all residents are invited to the town BBQ in front of the Glen Ridge train station for their first official burger and hot dog of the season! Kids are welcome to enjoy the bouncy house set up next to the train station. Kiwanis is grateful to coordinate the event, which ultimately honors the memories of those Glen Ridge residents who gave their lives in service to the United States during World War I, World War II, the Korean War and the Vietnam War. For more information, please contact Paul Weissenberger at 973.722.7438.

Neighbor To Neighbor Network

Volunteer Opportunities:

Friendly Visitor Program –Friendly visitors provide companionship and a listening ear to homebound elderly residents who lack the support of family and friends. Each volunteer is matched with a senior in need one-on-one. Friendly visitors are not obligated to, but are welcome to assist their “match” with grocery shopping, errands, minor home care, etc. We recommend that Friendly Visitor volunteers visit the senior they are matched with one hour once a week. This volunteer opportunity, if flexible, can be done on evenings, weekdays or weekends.

Food Delivery Program – Food delivery volunteers pick up bags of food from The Human Needs Food Pantry or Toni’s Kitchen in Montclair once a week and deliver them to a set route of about 5 residents who are unable, due to age or disability, to go to the pantry themselves. A food delivery route takes about 1 hour per week. A valid driver’s license and personal vehicle are required. Substitute volunteers are also needed for when our regular drivers are out sick, on vacation, etc. There are three pick up times at the pantry: Tuesday between 10:30 and 11:30, Thursdays between 10:30 and 11:30, and Thursday evenings between 5:30 and 6:15. Each delivery run is assigned to one of those three time slots.

Events – For groups looking for a short-term volunteer opportunity, NTNN can arrange a volunteer event at one of Bloomfield or Glen Ridge’s senior citizen clubs or senior apartment buildings. Events are flexible and can be done on weekends or weekdays. NTNN will work with your group to create a volunteer event that is tailored to your interests. Some examples of events include: Arts and Crafts, Planting Flowers/Gardens, Exercise Classes (at least one volunteer must be a certified instructor), Game Nights, Musical Performances, Thanking our Troops: Creating cards to send overseas, Luncheons, Ice Cream Socials.

If anyone in your group has a special talent they would like to share with Bloomfield’s seniors, please let us know! To volunteer for any of these programs, please contact the Volunteer Coordinator at 973-680-4017 or NTNNvolunteercoordinator@gmail.com

The Glen Ridge Volunteer Ambulance Squad

GRVAS had a busy 2023. Our members responded to over 1450 calls, and our transport drivers assisted numerous senior citizens with car access to medical appointments. Our members assisted at the Lager Run, Ashenfelter, Rhino Romp, football standbys and so many other community events.

We recently held a blood drive and collected a total of 53 units of blood. What an amazing turnout thanks to the support from our community. Mark your calendar for our next blood drive on Friday, May 10, 2024, from 1:00pm to 7:00pm.

You may not know, but driving an ambulance is serious business. Our drivers have the safety of the patient and crew in their hands. Weather conditions, other drivers and making sure the crew can safely provide emergency medical treatment are just some of the factors that drivers must consider. We are committed to making sure our members are trained in the most up to date driving techniques and protocols. Thanks to the generosity of our community, we recently offered our members (from trainees to experienced drivers) CEVO5, the most up to date driver training program, followed by behind the wheel maneuvers with certified instructors. EMT's received 6 continuing education units for successfully passing the program.

The Fitzgerald's Lager Run and Nipper Mile

The 16th running of the Fitzgerald's 5K Lager Run and Nipper 1 Mile is set for Sunday June 9th, 2024. Proceeds of this running even benefit the Glen Ridge Community Fund. The races are in the late afternoon with the Nipper Mile starting at 4:45PM and the 5K Lager Run starting at 5:30PM. Race packet pick-up begins at 3:30PM at Hurrell Field. Both races are open to runners, joggers and walkers alike. The USATF Certified 5k Course winds its way along Ridgewood and Forest Avenues, both races finish on the Hurrell Field track. Commemorative Brooks TechT's or cotton T's to all registrants, with the top 100 M&F participants receiving pint glass for the Fitzgerald's Lager 5K with commemorative medals to all finishers of the Nipper Mile. Age group and overall awards too. Fitzgerald's provides post-race refreshments, and the event has been called the unofficial town picnic; it's lots of fun. The races are held "rain or shine". For more information and to register click and past this link to your server: www.runsignup.com/Race/Info/NJ/GlenRidge/FitzgeraldsLagerRun or email dan@dtmurphy.com (Dan Murphy, Race Director). Please reach out me if you'd like to volunteer and thanks!
